

FARNBOROUGH HILL

WHOLEHEARTEDLY

JOB DESCRIPTION

Teacher of Physics

General

- To support the aims, values and ethos of the School and to contribute to the implementation of the School's Mission Statement
- To support the aims and objectives of the Science Department and to meet objectives which lead to the achievement of those aims.
- To make a significant contribution to the School's and the Science Department's extra-curricular programme.
- To be accountable to the Head and to perform such duties as she may reasonably direct, including some duties out of school hours.

Key Responsibilities

- To maintain high levels of achievement and enjoyment of Science across all Year groups.
- To support and encourage pupils to reach their full potential in Science.
- To actively monitor pupil progress and to complete regular assessments.

Other Responsibilities

- Play an active role in the life of the School.
- Perform supervisory duties including invigilation; supervising pupils at breaks and covering for absent colleagues.
- Attend school events including: assemblies, Masses, parents' evenings, school Insets, staff meetings and staff briefings.
- Keep up-to-date with Health & Safety requirements and ensure they are put into practice.
- Assist in the supervision of Science revision and support groups from time to time.

Pastoral Responsibilities

- To act as a Form Tutor or Deputy Form Tutor and to carry out the duties associated with the role.
- To contribute to, and occasionally lead the delivery of PSHEE, assemblies and whole school events.
