Venturers Trust and our Sponsors

Venturers Trust is a dynamic and focused multi-academy trust based in Bristol, formed in September 2017 through the merger of CGS Trust and Merchants' Academy Trust. The Trust is responsible for eight academies, 3,500 pupils and 700 staff with a commitment to making a significant and lifelong difference to the lives of young people from some of Bristol's most disadvantaged communities.

The Trust is currently made up of five primary schools: Bannerman Road Community Academy, Barton Hill Academy, Fairlawn Primary School, The Dolphin School and The Kingfisher School; the all-age Merchants' Academy; Colston's Girls' School for girls aged 11-16, located alongside its sixth form, V6, for girls and boys; and Venturers' Academy, the first state-funded school in Bristol for students aged 4-16 diagnosed with Autism and with an EHCP. Our academies are happy, vibrant and exciting places to learn and work and are led by a team of talented, morally driven and committed Principals.

The Trust is sponsored by the Society of Merchant Venturers and the University of Bristol.

The Society of Merchant Venturers (SMV) is a philanthropic organisation that works with and supports people and communities from the wider Bristol area through education, care for older people, charitable giving and social enterprise. In education, SMV's simple but highly ambitious vision is to transform the life-chances of students from the richly diverse set of schools within Venturers Trust, both during their educational journey and beyond. The Society's expertise in education spans more than four centuries and today, the commitment is practical as well as financial, with many of its members taking active roles in the governance of Venturers Trust and the wide range of schools within the Trust. SMV firmly believes there is nothing more important to the health of our communities than outstanding education and training in life skills for young people.

The University of Bristol ranks as one of the top 10 universities in the United Kingdom. It is actively involved in the governance of our schools. The university offers support in areas such as curriculum development, subject expertise, higher degree and research opportunities for staff at Venturers Trust. It also offers student mentoring and an innovative and inclusive programme for students as part of the university's commitment to widening participation and access to higher education. These activities include extensive support and opportunities for our Sixth Forms including scholarships, preferential offers of grades to gain a place, with the additional possibility of bursaries to support undergraduate degree studies.

Both sponsors seek to ensure that all our young people receive a truly inspiring challenge and expertise are greatly valued.

Venturers Trust is fortunate to be able to recruit and retain the very best staff. In addition to contractual entitlements such as annual leave and occupational pension, we recognise the important role our staff play by providing for them a range of benefits as well as flexible employment arrangements and a family-friendly approach.

Welcome to Fairlawn Primary School

Opened in September 2015 as a new school, Fairlawn Primary School is very proud to continue the long history of educating children in the magnificent buildings that were once a Victorian grammar school.

The local community welcomed this extensive modernisation to ensure that families and children in the area had access to outstanding facilities that support a 21st Century education.

The children's well-being is at the heart of everything we do and a strong sense of partnership between school and the family aims to bring out the very best in the children. Caring, experienced and professional staff provide an engaging environment and make learning enjoyable and purposeful which enables our children to be successful and feel happy to take risks, explore and experiment.

The school day is designed to build confidence and skills in all aspects of child development. We feel that the time spent in the playground or the dining hall is just as valuable as the lessons in the classrooms. Fairlawn is a very special place where children are encouraged to take part in a wide variety of enriching opportunities including clubs, trips and performance.

Fairlawn Primary School is a diverse and developing school with the strong support of dedicated governors and an active PTA (Parents and Teachers Association); the community is thriving and we invite you to visit and find out more for yourself.

Living in Bristol

Fairlawn

Fairlawn Primary is located in the city of Bristol very close to the open fields of Bath and North Somerset and easy travelling distance from the city, country villages and further afield. Academy staff have an enviable choice of places to live within a city and region that is viewed as one of the areas with the highest quality of living in the UK.

Bristol is the largest city in the South West and the region's leading centre for business, culture and education. It has been the subject of a massive programme of investment and regeneration that has had a major impact on its retail, leisure and business facilities. The city has a long tradition of trade and engineering, and is also home to many of the newer financial services, creative and media industries. It is also close to some of the most beautiful countryside and coastal areas.

Bristol itself is a beautiful, vibrant and fashionable city. Its harbour, which weaves its way through the heart of the city is lined with restaurants, clubs and bars, museums, arts, science and media centres. The narrow winding streets, radiating from the water's edge, reveal elegant parks, squares and stunning architecture. Recently the city celebrated Brunel 200, the 200th anniversary of the birth of Isambard Kingdom Brunel, one of the most inspirational engineers of the 19th century and the person responsible for some of the great icons of Bristol's industrial heritage. Bristol is the 8th largest city in the United Kingdom with a population of over 400,000. Built on the confluence of the Rivers Avon and Frome, it has been in existence from well before the time of the Romans.
