

School of Engineering & Motor Vehicle February 2019

Riverside College is a highly popular and successful further education college conveniently located in Widnes and at the hub of the Mersey Gateway, within easy reach of Liverpool, Manchester and Chester. We currently cater for over 3,000 16-18 students, 600 full time adults, 700 apprentices, and deliver a range of Higher Education and part time adult courses.

You will be working in the College's brand new £3.6 million Engineering and Construction Skills Centre which boasts state of the art equipment and outstanding workshop environments. Our state of the art IDEA Centre opened in May 2017 and is a learning facility which will educate students using some of the most advanced industry standard equipment and methods.

The School of Engineering and Motor Vehicle offers the following programmes:

- Engineering Level 3 BTEC Extended Diploma
- Engineering Technology Level 3 Diploma
- Performing Engineering Operations and BTEC Extended Certificate in Engineering NVQ2
- Engineering and Technology Level 1 Diploma
- Diploma in Light Vehicle Maintenance and Repair Principles, VRQ Level 2 and 3
- Multi-skills Engineering/Construction
- Motorsport Engineering
- Architectural Engineering

We require a strong Electrical Engineer, with an ability to deliver outstanding provision. You will be expected to have sound knowledge of current pedagogical practice with a proven track record of improving progress and attainment.

The successful candidate will demonstrate a detailed understanding of curriculum developments in Engineering and modern Electronics & Electrical installation practice, demonstrate high quality electronics and panel wiring skills. You will be conversant with PLC operation and electrical maintenance.

The College has celebrated many recent successes with the Department for Education performance tables, published in January 2019 ranking the college in the top 10% of all Further Education colleges for both A Level and Vocational performance.

Over recent years, significant investments have been made in teaching and learning and support for students at Riverside College, which we believe are key to our success and include:

- 100% A Level pass rate and 86% high grades
- 100% Vocational pass rate and 73% triple distinction and distinction* grades

Over recent years, significant investments have been made in teaching and learning and support for students, which we believe are key to our success.

Riverside College is committed to:

- Providing learning experiences of outstanding quality
- Investing in teaching, learning and assessment
- Offering students distinctive and valuable opportunities to develop personally and professionally and academically
- Supporting every individual student to reach their full potential
- Seeking opportunities for growth

Thank you for your interest in Riverside College. If you would like further information or an informal discussion please contact Andy James, Head of Engineering and Motor Vehicle on 0151 257 2800.
