HR Manager

INFORMATION FOR CANDIDATES

Welcome from The Head

Dear Candidate,

Many thanks indeed for your interest in this role as HR Manager at The King's School Canterbury.

King's is a simply wonderful place to live and to work. Since joining as Head in September 2023, I have been struck by the remarkable warmth of the welcome that I have received here and by the friendliness, mutual respect and authenticity of the relationships between staff and pupils.

Our incredibly rich and broad curriculum and co-curricular programme create an environment where it feels that anything is possible, where pupils are known and supported as individuals, and where they are encouraged to pursue their own unique path through King's and beyond.

Around 75% of our pupils are boarders (equal numbers of boys and girls) and our pupil body is drawn from a range of backgrounds both at home and abroad. We have a generous bursary provision and have recently launched an ambitious campaign to turbo charge this and to further widen access to our School. With this diverse and inclusive community, global mindedness and open-mindedness are hallmarks of our School. Pupils achieve excellent outcomes in external examinations, but a King's education looks far beyond this. Our remarkably broad curriculum and our enrichment programme serve to develop pupils as thinkers, and as learners, and prepares them to make a positive mark on the world beyond school. We also want to ensure that pupils enjoy their time with us – that their school days are filled with joy, exploration and discovery.

King's is also a wonderful place to work. Staff here are talented, committed and collegial, and there is a culture of mutual respect that runs through the whole community. Canterbury itself is a vibrant and beautiful city, with excellent transport links to London and the wider South East, and the School offers a strong package of benefits and professional development opportunities. We want the people who work here to feel as supported and stretched as our pupils do.

I do look forward to meeting you in due course.

Yours sincerely,

About King's

The King's School Canterbury is one of the oldest schools in the world, tracing its origins to the arrival of St Augustine in England and the foundation of his monastery in Canterbury in 597 AD. Re-founded by Royal Charter in 1541, the School has been shaping young people for well over a thousand years. Today it is a co-educational, day and boarding school educating pupils from the age of three to eighteen, and the group comprises three schools based in and around Canterbury, alongside a growing family of overseas schools.

A King's education is inspired, not constrained, by tradition. Across all its schools, the emphasis falls on intellectual curiosity, the development of the whole person, and preparation for the lives pupils will lead beyond King's. The School is particularly celebrated for its music, the creative and performing arts, and the breadth of its co-curricular life. High levels of pastoral care run through everything the group does.

Our Schools

The King's School, Canterbury educates pupils from 13 to 18, with just over 915 pupils on roll, of whom around 650 are boarders. The School sits at the heart of one of England's most remarkable cities, occupying buildings in and around the Precincts of Canterbury Cathedral, a UNESCO World Heritage Site. There are six boys' boarding houses, seven girls' boarding houses and four day houses. King's has always welcomed pupils from across the world, and the diversity of its community is one of the hallmarks of the school.

Junior King's occupies 80 acres on the banks of the River Stour in Sturry, three miles from Canterbury. Originally founded in 1879 in the Cathedral Precincts, the School moved to its current site in 1929. Set around a sixteenth-century Manor House and Tithe Barn, the school educates over 365 pupils from Nursery through to Year 8. It is a school with its own distinctive character and ethos, offering exceptional pastoral care alongside a broad, creative curriculum and outstanding co-curricular provision. The great majority of pupils progress to King's Senior School at 13.

The International College, launched in 2018, provides a pathway into British education for international students aged 13 to 17. Located in a purpose-built, award-winning building on the Malthouse campus, it offers a one-year fast-track GCSE programme and welcomes over 70 students from across the world each year. Students integrate fully with the Senior School for co-curricular activities, and most go on to join King's for Sixth Form study.

Overseas, King's has established international schools in Shenzhen, China and Phnom Penh, Cambodia, with two further schools due to open shortly in Cairo and Bengaluru. Each school carries the King's commitment to academic and co-curricular excellence into its local setting, offering a British education with a genuinely global perspective.

HR Department

The Human Resources Department plays a central role in supporting the School's people strategy by delivering a professional, customer-focused and responsive HR service to more than 1,000 employees across the School. Working in partnership with leaders at all levels, the department ensures the School attracts, supports, develops and retains a highly skilled workforce while maintaining the highest standards of employment practice, safeguarding and legal compliance.

Led by the Director of HR (1.0 FTE), the department comprises the HR Manager (1.0 FTE), HR Manager (Recruitment) (1.0 FTE), Learning & Development Manager (0.6 FTE), three HR Officers (2.25 FTE), Junior HR Officer (1.0 FTE), HR Assistant (1.0 FTE), two Recruitment Assistants (1.0 FTE) and a part-time HR Systems Consultant (0.1 FTE).

The department provides expert support across the employee lifecycle, delivering operational HR services including onboarding, employee relations, performance management, absence management, policy development, learning and development, HR systems, workforce reporting and recruitment. Working collaboratively, the team supports both teaching and professional services staff across the School, providing practical advice and guidance to managers while ensuring compliance with employment legislation and safeguarding requirements.

The HR team is committed to delivering a proactive, efficient and solutions-focused service, developing management capability, supporting organisational change and driving continuous improvement. Through strong partnerships with leaders and a focus on operational excellence, the department helps create a positive, inclusive and high-performing working environment where employees are supported to thrive and contribute to the continued success of the School.
