January 2019

Dear Applicant

Thank you for interest in the position within the Mathematics faculty at The Heath School. The school has an excellent reputation built upon excellent results and strong engagement with all our community partners. The school was graded Good overall by Ofsted in September 2018 with Outstanding personal development, behaviour and welfare.

We are seeking to appoint a well-qualified, motivated, committed and ambitious teacher of Mathematics. You will be an innovative, creative and outstanding practitioner, who will be able to contribute to the planning and delivery of Mathematics across the curriculum at KS3 and KS4. You will have a record of achieving excellent results and improving student outcomes as well as a sound knowledge of data relating to pupil progress and achievement.

To apply you will need to complete the school's application form and submit a supporting letter of no more than two sides of A4 outlining your experience, skills and capabilities and to demonstrate how you meet the role and how your educational vision can contribute to The Heath's continued success.

Yours sincerely

J Jardine
Executive Principal
