

Teacher i/c Key Stage 3 English - The Green School for Boys

Dear prospective candidate,

Thank you for your interest in applying for the above post at The Green School for Boys. The Green School for Boys opened in September 2017 with 120 boys in year 7 and is one of two schools run by The Green School Trust – a Church of England Multi Academy Trust serving the young people of West London. The Trust's core purpose is to develop schools which expand the hearts and minds of students. The motto for The Green School for Boys is "reach beyond your grasp" which is an adaptation of a line from 'Andrea del Sarto', a poem by Robert Browning, which reads "Ah, but a man's reach should exceed his grasp, or what's a heaven for?" This serves to illustrate the ambition we have for our boys.

The Trust intends to appoint an aspirational and innovative Teacher In Charge Of Key Stage 3 English who will drive standards of excellence and inspire and motivate boys to achieve in all aspects of school life. In 2022 our first year 11 cohort will sit their public exams. As a leading Teacher of English you will foster a culture of high expectations, achievement for all and care for each individual within a dynamic learning environment where each boy will be stretched, stimulated and supported to make excellent progress. The school has a STEAM specialism underpinned by a focus on literacy, creativity and links to industry. The school's Christian ethos and enrichment in Sports, Technology, Engineering, the Arts and Maths ensures that boys develop as well rounded, confident and compassionate young men.

The English Department at The Green School for Boys aims to provide an inclusive education in English Language and English Literature which empowers students as critical and imaginative readers and writers, and as confident speakers and listeners. The role of Teacher In Charge Of Key Stage 3 English presents an excellent opportunity to lead and coordinate the further development of the English curriculum, working closely with the Head of English and the whole department in providing a robust and vibrant learning journey.

We value our staff and we work collaboratively to provide professional support, CPL and sharing of good practice across both The Green School for Boys and The Green School for Girls. Staff are involved in all aspects of school life and contribute to the ethos and co-curricular life of the school. Staff have the opportunity to teach across both schools and deliver A level at The Green School Sixth Form. This is an exciting time to join the school and presents a unique opportunity to contribute to a new school in its fifth year with a highly committed and professional team who have established a strong positive ethos where every child matters.

To apply you should complete the TES application form and write a supporting statement of no more than three sides of A4 (size 11) explaining how your professional experience has prepared you for the role with reference to the person specification.

If you would like to visit the school please contact my PA Julie Hart j.hart@tgstrust.com. I very much look forward to receiving your application.

Yours sincerely,

Mrs Sally Yarrow
CEO & Executive Headteacher, The Green School Trust
