PRINCIPAL'S WELCOME

I am delighted to introduce you not just to Cranleigh Abu Dhabi but to a whole new world of opportunity in terms of an outstanding British education in a truly international setting.

At Cranleigh Abu Dhabi, our cultural diversity forces a deep appreciation of the fast pace of change that characterises our world. We know the importance of teaching children the necessary skills which will enable them to engage actively within our multi-cultural society.

Our vision for Cranleigh Abu Dhabi is ambitious and proudly so. What we are offering is an inclusive and well-rounded programme that will lay the most robust foundations on which children will build the rest of their lives.

Backed by a talented team of staff and a custom-built school, we offer an exceptional learning and teaching environment. We encourage the development of children's self-esteem, their confidence in themselves and their own abilities, and the independence that will enable them to unfold their

imaginations and learn from successes and mistakes alike.

As we mature, we know the importance of reflecting, reviewing and looking for ways to improve. It is these attributes of reflection and continuous improvement that we look for and encourage in our staff. It is an exciting time to be joining us, and I look forward to meeting you.

AN INTRODUCTION TO CRANLEIGH ABU DHABI

About Cranleigh

Cranleigh Abu Dhabi seeks to provide a truly transforming experience in which intellectual, artistic, sporting, spiritual and social development is at the heart.

Based on the community and family-oriented ethos of Cranleigh School, one of England's leading independent schools founded in 1865, Cranleigh Abu Dhabi was opened on Saadiyat Island in September 2014.

Now in our sixth year with a pupil population of over 1,400 spanning Nursery to Year 13, we are seeing the benefits of our focus on the whole child with a 22% increase in the top GCSE grades 7-9 compared to the previous year. 73% of our GCSE grades this year were grade 7-9, the top result in Abu Dhabi. Two pupils gained top IGCSE results in the world in Arabic and Italian. This comes on the back of the prestigious accolade of International School of the Year in the Tes Independent Schools Awards 2019. We were also awarded the UAE's Schools Compared, Best School for Drama and Creative Arts and the Red Crescent Charity, School of the Year.

Education Philosophy

Through our supportive family atmosphere, we aim to produce grounded young men and women capable of tackling life's challenges with confidence, determination and courage. Our educational philosophy centres on a desire to bring out the unique talents of each child, recognising and nurturing the innate ability in every individual.

Teaching and Learning

Teaching and learning at Cranleigh Abu Dhabi is innovative. The academic team is expected to be energetic and engaging, able to introduce fresh creative ideas into every lesson.

Sixth Form Programme

Our focus on innovation is clearly evidenced in our Sixth Form Programme. Creative opportunities for leadership development, career planning and work experience ensure students gain the insight, confidence and skills required to support their university applications, and ultimately their future lives in the workplace.

Location

Cranleigh Abu Dhabi sits at the entrance to Saadiyat's emerging Cultural District in keeping with the school's motto, 'Ex Cultu Robur' – 'From Culture Comes Strength'.
