Section 2: Letter from the Chief Executive – Bev Matthews

Dear Candidate,

Thank you for your interest in this role within Minerva Learning Trust. Minerva Learning Trust was established in October 2014 with the vision of providing outstanding education for pupils who are from a wide variety of backgrounds across the city of Sheffield. During 2017-18 the Trust expanded and brought together four secondary schools across Sheffield to create a new partnership of schools which supports the education of over 5000 pupils. In September 2020, Chapelton Academy joined the Trust and enhanced the post-16 provision within the Trust in the north of the city and in September 2021, we were delighted that Woodthorpe Community Primary School became the first primary school to join the Trust. We resolutely believe that we are stronger together and that each school within the MAT has individual strengths and we celebrate the diverse and unique qualities of each particular school.

As a Trust our mission, vision and values are central to our work and are the driving force behind all that we do. Our vision of Outstanding Together, Working Together and Learning Together is underpinned by our core values of Inclusion, Independence, Respect and Success. Through our values we foster an ethos of collegiality, we ensure inclusion is at the heart of all we do and we work hard to ensure that every child succeeds, no matter what their background or circumstance.

We recognise that the commitment and care shown by all our staff is fundamental to the success of our young people. As such, we work hard to ensure that staff are supported, encouraged, developed, respected and listened to within an enjoyable and rewarding working environment. Our culture is one of professional trust, respect, honesty and integrity and we want our staff and students to work and learn within an environment that enables them to flourish and to work at their best.

The professional development of staff, including opportunities for research, is a key priority of Minerva Learning Trust. As such, we seek to enrich employee capability and maximise the strength and contribution of each individual who works with us. The Trust believes in investing in the learning and development of its employees through a range of opportunities which are aligned to the needs of the organisation and its young people.

This is an exciting opportunity to join the Trust. If you choose to apply you will be choosing to work alongside a team of dedicated professionals who passionately believe in the power of education to change the life chances of young people.

If you believe you have the experience, skills and ambition to support our aims and contribute to the delivery of the very best for our pupils then we look forward to receiving your application.

Chief Executive Officer

Section 3: Letter from the Headteacher – Claire Tasker

Thank you for your interest in this role and in our school. High Storrs is a very successful high-performing 11-18 comprehensive school in the southwest of Sheffield that has benefitted from a £27m refurbishment of our Grade II listed building. We are a large and happy school with 1697 students (483 in the Sixth Form). Serving a multi-cultural learning community with high expectations and high aspirations, we are an over-subscribed school and are part of the Minerva Learning Trust.

We are most proud of our excellent exam results. In summer 2024 students both attained highly and made outstanding progress from a wide range of starting points at GCSE and A level. Our outcomes for many measures at GCSE and A level are the strongest or amongst the strongest in the city. However, we also take great pride in all the other successes and efforts of our students and staff – the school productions, the dance and music performances, the staff panto, sporting endeavours, Pride events, charity events and all the times that members of the wider community comment on the decency and kindness of members of our school.

High Storrs is a happy, creative, focused and aspirational community that is built on the strong foundations of our broad curriculum, our inclusive ethos, our highly qualified and knowledgeable staff and our enthusiastic students. The beautifully refurbished old building is symbolic of our tradition and the multitude of alumni proud to have attended High Storrs. Our new building, full of excellent facilities, is symbolic of our bright future as a school that marries academic success with the education of the whole child.

A great deal of this success is down to the pastoral care and support at High Storrs School. Our House System really helps our youngest students to settle and, as they grow, to thrive. Our Houses celebrate the successes, challenge the mistakes and support the learning. The House teams all appreciate the power of partnership with parents and carers and of open communication. Support and care are equally important for all members of staff. We have a well-developed CPD programme at High Storrs that is now supported further by the growing CPD offer from the Trust. Wellbeing is also rightly high on our agenda. We have clear well-being principles in place that guide our work in school and an annual action plan full of suggestions made by staff.

Every day at High Storrs starts with either form time in a vertical (i.e. mixed age) form linked to a House or in a Year 12 or Year 13 form. The day may start with an assembly or a 'form discussion' about current affairs, the power of sleep, understanding stress or our all-important High Storrs 'Attitude to Learning' and learning behaviours for success. Then students are off to study a myriad of subjects (a much wider choice for GCSE and A level than many schools) before lunch in the deli bar, sandwich room, dining room or outside. This is mostly followed by clubs and fresh air! There are two more one-hour lessons in the afternoon before formal lessons end at 2.55 pm and sport, dance, music, drama, art, STEM and other extra-curricular activities or CPD begin. It is always a full day for staff and students at High Storrs School!

I look forward to receiving your application,

Claire Tasker

Section 4: About High Storrs

OUR ETHOS

We welcome everyone and pride ourselves on our inclusive practice. Combined with this, we deliver academic success, specialisms in Maths and Computing and Performing Arts and a wide range of extra-curricular activities.

Our students are treated with respect and are expected to respect school rules and each other. This enables everyone to enjoy a positive working environment where the most productive learning can take place.

Our school-wide values statement was written following a consultation with over three hundred stakeholders – amongst them parents, students, staff and governors. It articulates the positive attributes and characteristics we expect from, and see on a daily basis in, our community: **We are High Storrs. We are here to learn, succeed and thrive. We are respectful, safe and responsible.** This language is seen around our school and used in and out of lessons. This language is articulated to students to express what we want from our community.

ABOUT US

We are firmly committed to a holistic approach that combines academic delivery with strong pastoral support. We place a high value on maximising all opportunities for learning, providing exceptional development opportunities in a supportive and forward-thinking culture. In March 22 we had an ungraded Ofsted inspection that confirmed the school was 'Good' by Ofsted. The report states that 'pupils thrive in this highly ambitious and warmly supportive school'.

Our school website www.highstorrs.co.uk will provide further details about our curriculum and more (including the full Ofsted report). You will also be able to read our school action plan and understand our priorities for this year and beyond. Our action plan is inspired by our 'five keys to success' and the notion of unlocking the potential in every student and member of staff. The High Storrs blogs and social media accounts will give you a further flavour of school life!

We look forward to your application and thank you for your interest in our school.
