## ICT/Computer Science Teacher

- Applications close Friday 29th January 2021
- Job starts Early August 2021

Garden International School, Bangkok seeks a ICT/Computer Science teacher to commence in August 2021. We are looking for an energetic, innovative and enthusiastic teacher with experience of teaching I/GCSE and A-Level. This is a fantastic opportunity to join a thriving and well-established school. This role is a newly created position for 2021 due to an increase in student numbers in the Secondary school. Candidates who can offer a second subject are encouraged to state this in their application.

Garden International School, Bangkok offers a premium international education, based on the British education model, in a friendly, family orientated environment. The school is located in the Sathorn district, close to Lumpini Park in the center of Bangkok. We have children represented by approximately 40 countries, immersing all students in a rich diversity of cultures, religions and backgrounds. The school is accredited by Edu Development Trust and has received the International Schools Quality Mark. We are also accredited by Cambridge International Examinations, Oxford AQA International Examinations and the Thai Ministry of Education (ONESQA). We are affiliated to the International Schools Association of Thailand (ISAT) and the Federation of British International Schools in Asia (FOBISIA).

Garden International School, Bangkok is a coeducational school of around 480 students, with classes from Early Years to Year 13. The school has a wonderful sense of community and class sizes are generally small, with the students well behaved, engaged in their learning and supported by their families.

Bangkok is a vibrant and modern capital city, which has all the international standard amenities you would expect to find, but it also retains wonderful historical districts that allow residents of Bangkok to immerse themselves in Thailand's history. Thailand is an exciting country with rich cultural experiences; it is a beautiful part of the world with year-round sun and is a safe place to work overseas. The cost of living is very reasonable and teachers tend to avail themselves of high-quality holiday experiences around the region.

The health, safety and well-being of all of the students at Garden International School, Bangkok is the foremost concern of all of the adults employed by the school.
