Dear applicant,

Thank you for considering Riverside School as the next step in your career. The Design and Technology department offers a full and broad range of learning opportunities both in and out of the classroom and there is the opportunity to develop your teaching from KS3 to KS5.

As a school we have a relentless focus on teaching and learning and developing great teachers is our number one priority. There is a real sense of passion and determination that students and staff bring to all that they do, making Riverside School a superb place both to learn and to work.

We are looking to appoint an innovative and enthusiastic Teacher of Food technology with excellent subject knowledge and a passion for the subject to join our innovative department. This is an excellent opportunity for an NQT or an experienced teacher in this rapidly expanding school.

The successful candidate will:

- Be able to teach at all key stages.
- Show evidence of being, or having the potential to be, an outstanding teacher in the classroom.
- Contribute and show commitment to our innovative and forward thinking department.
- Play a full and active role in the life of the school.
- Be a reflective practitioner with focusses on continuous learning and development of practice.
- Want to make a real difference to the lives of all young people
-

In return, we can offer you:

- A cohesive team of people who believe in working collaboratively; sharing ideas and supporting each other.
- The opportunity to further develop innovative teaching and learning strategies to ensure students achieve excellence.
- Participation in lesson study to provide an opportunity for collaborative planning and the detailed and evaluative analysis of specific pedagogical foci.
- The chance to join a growing school with further opportunities for progression as the school reaches capacity.
- Unrivalled CPDL opportunities to further develop your skills as a classroom practitioner and to develop leadership skills as you progress.

Yours faithfully
Danica Reid
Head of Food Technology
