## Information Booklet

## **The Appointment Process**

These notes are intended to guide you when making an application for advertised posts. Included are the Job Description and Person Specification. As you complete the application form and supporting statement you may find it helpful to refer to the job description and person specification.

### **Completing the Application Form**

All candidates are required to complete the application form, as information supplied in the same format ensures compliance with our Equal Opportunities policy and Safer Recruitment Policy. Application forms may be typed or hand-written, as you prefer. Before filling in your application form, please read the job description carefully as it outlines the key responsibilities and the skills and qualifications required of the post holder. **You will need to demonstrate that you meet the requirements of the job description (or at least have the potential to do so) and person specification in order to be considered for the shortlist and interview.**

### **Examination Results Form**

Where applicable, please complete the Examination Results Form and return with your completed application.

### **References**

Suitable referees are people who have had direct recent experience of your work and who are in responsible positions. If you have had a recent break in your work history you may wish to nominate someone who has known you for a long time or perhaps been connected with any voluntary work you may have undertaken. If you are currently employed, or have been employed, you are asked to give your current or most recent employer. If you are a student, please give an academic referee.

### **The Supporting Letter of Application**

The supporting statement or letter is regarded as a very important part of your application. You should make statements which demonstrate how your qualifications and experience match the criteria outlined in the job description and person specification. Your statement should be concise; try to keep to no more than 1000 words.

### **Criminal Convictions**

The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account. Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice website.

You are advised that the post for which you are applying will be subject to full Criminal Records Bureau Disclosure and any offer of appointment will be subject to verification of an individual's criminal record and other Disclosure information, which is satisfactory to the Principal (or Chair of Governors for appointment to designated senior posts). The College will assess the relevance of any criminal record and having 'spent' or 'unspent' convictions will not necessarily bar an individual from employment; this will depend upon the relevance and circumstances relating to the offence/information and any such information will be treated in the strictest confidence and will only be used in consideration of your suitability for appointment. You will be asked to provide further information, which will include spent convictions, if shortlisted for interview. Disclosure forms will be held for a period of six months after receipt from the DBS and will be destroyed thereafter.

### **Arrangements for interview**

Shortlisting is usually completed within a week of the closing date for applications. When the shortlist has been agreed, invitations for interview are sent to the selected candidates. The interview will usually be held within four weeks of the closing date. If you have not received an invitation to attend an interview within four weeks of the closing date, you may assume that your application has been unsuccessful.

Should the selection process incorporate tests or presentations, full details will be included in the letter of invitation to interview. Normal College practice is to contact referees following shortlisting for interview. If you wish to discuss this further please contact the HR Department.

If you have a disability and require special adaptations or assistance, please contact the Human Resources Department, who will take appropriate measures to accommodate these needs.

### The Interview

References received for candidates are made available to the selection panel. The decision of the selection panel is normally announced within one day of the interview and you will be contacted as soon as possible. Candidates should be prepared to accept or refuse an offer.

### Selection for Appointment

The successful candidate will be contacted as soon as possible. The successful candidate must confirm in writing, or via email, their intention to accept or decline the post. Failure to confirm in writing will result in the offer of employment being withdrawn. All offers of employment are dependent upon the candidate's references and Disclosure and Barring Service (DBS) check being satisfactory and ability to meet the requirements of the Asylum and Immigration Act to be legally employed to work in the UK.

### Work Health Assessment

The successful candidate will be required to complete a pre-placement health assessment with the College Occupational Health provider.

### Arrangements for Application

## **Loreto College Manchester**

Loreto Catholic Sixth Form College is located in Hulme, a mile south of the centre of Manchester and very close to Manchester University and Manchester Metropolitan University. Loreto College, Manchester is one of an international network of Catholic colleges run by the Institute of the Blessed Virgin Mary (IBVM), a religious order founded in the seventeenth century by the English woman Mary Ward. The mission of the College is to respond to the educational needs of young people from its partnership high schools and special schools in Manchester and surrounding areas. The college works with other FE Providers to support students from its partnership high schools who wish to access the full range of vocational & occupational courses.

The College's distinctive Catholic ethos owes much to the College's connection with the IBVM. In all its work the College aims to give expression to the core values of Mary Ward – freedom, justice, sincerity, truth, joy, internationality and excellence – and encourage “seekers of truth and doers of justice” who are able to challenge accepted notions and modes of society. It has high aspirations for its students not only in the context of academic excellence but within the wider context of human possibilities. Against the framework of its core values, the College challenges and supports not just the learner but the whole person. In doing this it strives to fulfil its primary purpose.

This radical mission impacts on Loreto's educational philosophy. Since its inception as a sixth form college in 1977 the College has been committed to the comprehensive principle. Inclusiveness has always been part of Loreto's ordinary mission. Inclusiveness has long been at the forefront of the colleges thinking in the development of new courses and the strong support structures which widen opportunities at 16 to all young people, not just the academically able. Its entry requirements for Advanced level study are: six GCSEs between 9-4 for most subjects and Grades 4/5 for English and Maths.

Loreto is one of the largest sixth form colleges in the country and regularly ranked highest in the North West for A-level grades (APE), with an excellent record of progression for our comprehensive, multi-ability and diverse student population of approximately 3,600. Loreto has an outstanding financial and Ofsted rating and was designated as a teaching school in 2014 providing a strategic lead for the 'Teach Manchester' alliance.

The college has had a presence in inner-city Manchester since 1854 it's rebuilding programme of 2004 delivered the modern, state-of-the-art facilities that have provided the backdrop to its most recent success. The college has up-to-date modern learning facilities in all subject areas, ensuring that students' learning environments are of the highest quality.

One key area of Loreto's success is the support provided for students, including three student study centres – with careers, study skills and mentoring support, a library and multimedia resources, dedicated private interview rooms for students requiring support, advice and counselling, and a chapel – for quiet reflection. Loreto's ICT facilities are excellent, with 21 IT suites, including AppleMacs. The recent opening of the final phase of the building programme, St Joseph's, includes maths and science theory rooms. Prior to this, the new build programme included a shop, a theatre workshop area, an additional theatre, new media editing suites, music technology suites and sound recording studios.

Applications for Loreto far exceed the number of places that we are able to offer.

Loreto has a long established gifted and talented unit, which provides enrichment opportunities and extension activities to enhance Oxbridge applications. The department for students with learning difficulties and disabilities has approximately 40 students.

In 2006, Loreto was awarded the prestigious Queen's Anniversary Prize for Further and Higher Education. Loreto received the honour after a thorough and rigorous evaluation of its teaching and learning across all areas of its curriculum and contributions made to education locally, nationally and internationally. The college has, throughout the last decade, been awarded Beacon status and designated by the DfE as a national Teaching School: the Principal is a National Leader of Education. The College has recently been awarded the Quality in Careers Standard, which is the national quality award for careers education, information, advice and guidance (CEIAG).

Under the rigorous OFSTED regime, Loreto was the first college in the country to receive outstanding for every aspect of the new inspection framework. OFSTED noted that, "Loreto College is outstanding in every respect". The inspection report also notes, "large numbers of students give their time freely to support charitable causes, fundraising and social activities which promotes social responsibility and global awareness. Their generosity, tolerance and respect for each other is exemplary."

Loreto recognises that staff are its most important resource and is committed to investing in Staff Development. We are committed to building a healthy, vibrant college that treats people with respect and creates opportunities. Bringing together employees and students with different backgrounds, experiences and perspectives allows us to be more innovative and successful.

The Heads of Hall Team meets every two weeks and is managed by the Vice Principal.

### Chaplaincy

Loreto has a Chaplain, a Chaplaincy team and visiting clergy who regularly celebrate Mass in the college.

The Chaplaincy is a space for all students at Loreto, whether they're striving for a better world; need a break from the daily hustle and bustle; want to make time for God and the spiritual in life; need someone to chat to if times are hard; or need a quiet space to go to. The aim is to help each student to flourish.

Whilst Chaplaincy also supports the academic side of the college, it is a place to grow in other ways and to help students fully grow into the person they are meant to be. Loreto College celebrates weekly Mass each Thursday lunch time and morning prayer is at 8.30am to which all staff and students are welcome. Chaplaincy offers tea and biscuits at break time and organises a 'Pop-up Chaplaincy' in other buildings throughout the week on the campus, to raise the profile of Chaplaincy, advertise Chaplaincy events and encourage students to participate in Chaplaincy activities.

There are residential retreats for students throughout the year and staff retreats are also offered for those who wish to attend. Each year students visit Taize, the ecumenical community in France. A group of staff and students also travel on pilgrimage to Lourdes – and spend a week in the summer term volunteering in the south of France, helping sick and disabled children and young people to experience faith in new ways whilst at the shrine of Our Lady. Students come along from all walks of life, and from all faiths and none. The Chaplains liaise with the LEEN, MANCEP, ACVIC and Salford Diocesan Chaplains in order to share good practice. In addition, Loreto Chaplains attend the Jesuit Chaplains' Conference twice a year which enables the Chaplains to regularly reconnect with Ignatian Spirituality. There are excellent links between the college chaplaincy team and the Manchester University Chaplaincy which is run by the Jesuits.

### Enabling Team

The Enabling Departments are: CCIT, Software Development, Library & Study Centres, Exams, Finance, CIS, Administration/Reprographics, Premises and Human Resources. The Director of Administration and College Services, Helen Green, chairs the meetings of the Enabling Departments and is also responsible for the organisation of internal and external large-scale events, and is involved with community liaison and admissions.

### **General Statement**

- This policy, on the recruitment of ex-offenders, is made available to all applicants for employment with Loreto College.

where a criminal record check is identified as necessary, all application forms, job adverts and recruitment briefs will contain a statement that an application for a DBS certificate will be submitted in the event of the individual being offered the position.
- > Loreto College ensures that all those in the college who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. Loreto College also ensures that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders, eg. the Rehabilitation of Offenders Act 1974.
- > At interview, or in a separate discussion, Loreto College ensures that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.
- > Loreto College makes every subject of a criminal record check submitted to DBS aware of the existence of the Code of Practice and makes a copy available on request. Alternatively, this information is directly accessible at <https://www.gov.uk/government/publications/dbs-code-of-practice>.
