COGNITA

An inspiring world of education

AN INTRODUCTION TO MEONCROSS

Meoncross School is part of an International organisation with a high performing culture and inspirational learning at it's core. We are a co-educational non selective independent coastal school, offering an outstanding academic journey from Nursery to Year 11, located on the south coast of Hampshire. Our aim is for every pupil to realise their full potential and where every child is an individual.

The school motto 'Luctor et emergo' underpins all we do here at Meoncross; the Latin phrase which appeared on the original school badge in 1953 and is best translated as "I strive and I emerge".

At Meoncross we believe that Mental Wellbeing in Childhood is the single greatest predictor of success in adult life. It underpins our primary aim to deliver Academic Excellence and helps create happy and independent learners. We have developed, are continuing to evolve and expand, a Coastal – Influenced Curriculum, Co-Curricular opportunities and extra-curricular activities. This is directly inspired by the fascinating and versatile natural resource on our doorstep: The Solent Coastline.

We strive to understand the challenges faced by each child by getting to know them very well indeed. Our staff keep a close eye on the progress of each individual, discussing them by name at regular formal and informal meetings. Only in this way can we tailor the support we offer them because every child has their own challenges to overcome. We strive to help them as individuals rather than as a cohort. To this end, we introduce academic mentors as they enter the Upper School. Most importantly, we look to celebrate their successes in school or outside it; supporting them to achieve their ambitions.

The quality of our teaching has been independently judged as 'outstanding' and is underpinned by meticulous planning to ensure that our high standards of academic attainment are maintained. When you combine this with our approach to building a lifelong set of values and a determined work ethic, it is small wonder that we are proud of our leavers.

SAFEGUARDING

All young people deserve the right to live and learn in a safe and happy environment.

All Meoncross School, staff share the responsibility to promote and safeguard the welfare of children and young people for whom they are responsible or with whom they come into contact. In doing so, staff are expected at all times to adhere to and ensure compliance with the School's Safeguarding Policies and Procedures.

Cognita Schools are committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers and other third parties to share this commitment. Safer recruitment practice and pre-employment background checks will be undertaken before any appointment is confirmed.

Science Teacher

Located in a semi-rural setting, a stone's throw from the Sea, Meoncross School and Nursery provides Independent Education for boys and girls aged 2.5 to 16 years.

We currently have exciting opportunities for suitably qualified and experienced individuals to join our passionate and committed team in our 'Outstanding' School.

We require an enthusiastic and student-centred teacher of Science for September 2019 to join our friendly, hardworking team at Meoncross Coastal School in Fareham. You will have strong interpersonal skills, be able to work effectively as part of a team and have the ability, not only to teach students from KS2 through to GCSE, but also to inspire and encourage children to develop a love of science. Another essential requirement is a good sense of humour!

At Meoncross School we aim to provide every student from Reception through to Year 11, a world class education, within a small, friendly and family-oriented atmosphere. We are a school that consistently achieves high academic results, including impressive value added scores. Our success is linked not only to small class sizes, enthusiastic students and highly trained and talented staff but is also the result of the school's strong focus on personalised learning, allowing every student to realise their full potential, regardless of ability.

If you are passionate about teaching Science to students who are enthusiastic about their learning, we would like to hear from you. Please take a look at the attached Job Profile and take some to learn more about our school, including our seven core values, from our website
