Are you currently thinking about returning to work and aspire to work with children? You may be retired and looking for a new challenge? Wolvercote Primary School needs a Lunchtime Supervisor with a vision and a passion for working with children within primary education.

This is a key role within Wolvercote Primary School, providing support for children during lunchtime both in the playground and in the dining hall.

We are looking for someone who has high expectations of children's achievement and behaviour; has a caring nature; enjoys building strong relationships and will be a positive role model for children.

In return we offer a warm atmosphere with friendly children who strive to do their best; a dedicated and supportive team of staff and governors and excellent opportunities for professional development.

Our school is part of the River Learning Trust; our collective vision is to be a Trust where pupils and staff thrive in schools which demonstrate:

- all-round education, academic success, lifelong learning and strength of character
- sustainable continuous improvement; no school standing still
- all schools being good and outstanding, or improving rapidly
- collaboration that is raising standards, and reducing workload
- where pupils, staff, parents and communities value all we do to support the best possible outcomes and experiences for our children and young people

We encourage applicants to visit the school and have a look around. To arrange a visit please contact Rachel Bacon on 01865 558301.
