Job Description

Key Criteria

- A suitable teaching qualification in secondary school Economics teaching;
- Experience, understanding and skills relevant to the specific responsibilities of the post;
- An ability to demonstrate recent effective strategies to achieve high quality teaching and learning;
- The ability to work as part of a faculty team;
- Effective communication skills to a wide range of people (staff, parents, students and teachers);
- Effective personal and professional organisational and classroom management skills;
- Ability and knowledge of IGCSE and A Level Economics content, curriculum and skills required to achieve high level outcomes;

Key Tasks

- To plan, share, prepare and teach Economics KS4 to KS5 courses and lessons in accordance with agreed schemes of work and school/Key stage policies;
- To provide an effective and safe learning environment;
- To prepare daily and long-term Economics lesson plans according to curriculum guidelines;
- Maintain productive working habits and discipline in Economics lessons;
- Attend relevant staff meetings, training and development sessions;
- Accurately, fairly and openly assess, evaluate and report on students' educational progress and abilities;

- Discuss students' progress as a teacher and a form tutor with parents and guardians, administrators and other professionals as necessary.

Skills and knowledge

- Expertise, knowledge and experience of teaching Economics to secondary students, preferably in an international context with students who may not be English native speakers;
- The ability to design courses and lessons appropriate to individual student's needs
- Sensitivity and understanding of individual student's needs, attitudes and behaviours in a classroom context;
- Patience and the ability to remain calm in stressful situations;
- The ability to work well with others;
- The ability to create the best conditions for learning or teaching new things to secondary students
- To be flexible and open to change
- To be well organised, able to use a calendar, timetable, computer and the school's main software packages competently

Day-to-day tasks

In this role you could:

- Plan and teach lessons to students aged 11-18, in a variety of learning spaces;
- Prepare teaching materials and write reports for specific students;
- Help students develop confidence, independence and specific skills in Economics
- Talk to colleagues, leadership, parents and carers about Economics students' progress, providing targets for improvement
- Work with other Economics and faculty teachers to fully support all students
- Attend relevant workshops and training, specific to Economics development across the school, sharing outcomes with colleagues
- Work as a co-tutor, alongside a colleague, to ensure the safeguarding and wellbeing of a tutor group between year's 7 and 13.

Administration

- To implement the school assessment, recording and reporting procedures;
- To keep an accurate register of students in accordance with the school's policy;
- To fulfil supervisory duties, as appropriate;
- To participate, contribute and if appropriate take the lead role in meetings with colleagues and parents.

Health and Safety

- To comply with procedures on all matters concerning health, safety, safeguarding and welfare in accordance with the school's' policies and procedures;
- To take responsibility for personal health, safety and welfare and that of others who may be affected by your actions or inactions.

OTHER ACTIVITIES

- Fostering the general progress and well -being of the individual pupils in any class or group of pupils assigned within the role

REVIEW AND PROFESSIONAL DEVELOPMENT

- Reviewing annually methods of teaching and programmes of work
- Actively engaging in the school's Professional Mastery programme, in line with the school's staff ethos of 'we are all learners.'

DISCIPLINE AND WELL BEING

- Maintaining good order and promoting self-discipline among pupils and taking care of their safety and wellbeing,
