

Kennet School

Excellence through Endeavour

Application Pack
Head of Physics

WHAT WE BELIEVE

At Kennet School we employ forward-thinking, creative teachers who are passionate about their subject. Our motto, 'Excellence through Endeavour', does not apply to our pupils alone. Kennet Leadership work hard to ensure that teachers can teach without disruption in an environment which celebrates success. As a staff body we ensure we make time for each other and enjoy the job.

We place learning at the centre of everything we do. Through our learning blog and innovative professional development programmes, we seek to drive education reform through the heart of our school, making decisions which are right for our pupils whilst being an exciting place to work.

We do not believe in restrictive marking policies, for example, those which demand a consistent marking technique. Rather, we value the full range of assessment methods and equip staff with the ability to plan the appropriate strategies alongside learning.

Our curriculum is rich in knowledge because we believe knowing things provides a foundation for being able to do things. Department and training opportunities create space for the ongoing development of the curriculum as we understand the value that specialist teachers bring to this process.

We value staff time and prioritise staff wellbeing in all decision making. Additional admin support is provided to ensure all teachers are able to focus on their first priority: pupils' learning.

A rigid behaviour procedure enables teachers to teach disruption free. Our procedures reduce the demands on staff whilst ensuring poor behaviour is dealt with swiftly and positive behaviours do not go unnoticed.

If you are passionate about seeing young people achieve more than they thought was possible and recruiting the next generation to your field of expertise, then we welcome your application to join our team.

Ms G Rigg
Headteacher

LETTER FOR APPLICANT

Dear Applicant

Thank you for your interest in the post of Head of Physics. We are a friendly and collaborative department and would be excited to welcome forward-thinking and passionate teachers to the team.

We are happy to consider teachers of all Science specialisms in order to recruit the very best person to our team. It is important that the successful applicant is able to teach Science to GCSE and preferably to A Level in their specialism.

This position is suitable for experienced staff and has a start date September 2025. Kennet has an excellent Professional Growth Programme and works closely with teachers at all stages to support their professional development and career progression. Our appraisal system is built around peer observation and all CPD is grounded in recent research and pedagogy.

Science is a major faculty within the school and operates in 13 purpose built laboratories. We have superb ICT facilities with 7 sets of laptops, allowing data logging, internet research, experimental modelling and on-line testing to be fully embraced by teachers and pupils alike. The Science department is a large and vibrant team, ably supported by 3 specialist technicians.

If you're undecided about applying, we would love to welcome you for an informal visit at your convenience. If you would like to discuss this or any possible job opportunities at Kennet School, please email me: gclegg@kennetschool.co.uk.

If you've already decided to apply, the easiest way to do so is by clicking the 'Quick Apply' button on the TES website. Alternatively, application forms can be downloaded from the vacancies page on our website and submitted by email to office@kennetschool.co.uk.

Applications must be received by
Monday, 31 March 2025 (9am).

Yours sincerely

Mrs S Strong
Head of Science

Job Title: Head of Physics

Salary: MPS/UPS (£31,650 - £49,084) + TLR £5,647

Contract: Full time (Permanent) or Part-Time (Permanent)

Required for: September 2025

WHY WORK FOR US?

...because we support and value our teachers!

Professional growth at Kennet School is centred on investing in individuals. We spend well above the national average on professional development and have teachers on NPQs, Leadership apprenticeships and MA programmes. Our aim is to help every member of staff be the best they can be.

Evidence-based professional development programme has a real impact on teaching and learning across the school. Centred on our 7 Principles for Learning and creating a shared language of learning, this programme is about trusting teachers to shape their own learning and giving them the time to explore issues relevant to their expertise and subject.

An unwavering focus on learning is at the heart of everything we do. We remove as many barriers as we can, administrative or otherwise, to keep learning at the top of everybody's agenda.

Wellbeing is at the heart of our systems and processes. Our behaviour systems support teachers to deliver lessons in disruption-free classrooms while centralised detentions allow for teachers to manage their time effectively. Teachers are expected to use time efficient strategies to provide feedback to pupils.

Career Opportunities arise frequently in large schools and we actively seek to help our teachers develop their careers and move into positions of responsibility.

Our new staff and ECT programmes are bespoke to individuals, include mentoring, opportunities to shadow colleagues and pupils and other opportunities across the school. We are the local cluster lead for ECT training and work with UCL to deliver the Early Career Framework. This includes a dedicated weekly mentor meeting and at least 3 sessions of professional studies each half term.

Staff Perks include a cycle to work scheme with a tax free allowance, learning visits to other schools, a sophisticated leisure centre on site (with discounted memberships) and an active social committee. We have a number of other benefits including free flu jabs, free porridge daily, Office 365 and various free product offers through gemsatwork. Staff sporting events are a popular feature of our perks. In addition to this, we offer staff membership of the Teachers' Pension scheme and the Local Government pension scheme. Childcare vouchers, through the Government scheme, can also be offered.

House Rugby - one of our many House events!

Displays commitment to the protection and safeguarding of children and young people	✓		
Good knowledge and understanding of safeguarding practice	✓		

APPLICATION PROCESS

Completing your application

Our preferred method of application is via the 'Quick Apply' function in TES.

Alternatively, you can download an application form from our website, complete it, and send to office@kennetschool.co.uk. We will not accept applications that are not submitted through either of these methods, this includes CVs and letters of application.

Please be thorough and accurate when completing your application as we review these forms carefully during the shortlisting and selection process. We advise against generic supporting statements and will be looking for your suitability to this particular role.

Your application will be shared with our appointment panel along with references and any other pertinent information.

Shortlisting

Applications will be reviewed as they arrive, but formal shortlisting will take place as quickly as possible after the application deadline. Applications will be ranked by members of the recruitment panel. Following this, successful applicants will be notified and asked to confirm their attendance at interview. Schedules will be sent out once we have confirmed the field for interview.

In exceptional cases we may choose to shortlist before the application deadline, so early applications are encouraged.

Interviews

The components of interviews will vary by job role, but the schedule will be designed to assess the competencies outlined in the person specification. All interviews involve an opportunity to tour the school and find out more about us. The final stage of the selection process is a formal panel interview.

Documentation

If selected for interview, please bring the following:

- Photo Identification (driving licence or passport)
- Proof of address
- Certificate from highest level of qualification (e.g. degree certificate)

Appointments

Following interviews, the panel will decide whether to make an offer of employment. Wherever possible, this will be done on the same day and a contract will be prepared. We ask that candidates attending interview are in a position to make a decision about whether to accept the role.

Kennet School is committed to equal opportunities, safeguarding and promoting the welfare of children and young people. We expect all employees, governors, trainees and volunteers to share in this commitment.

We seek employees who are keen to contribute to the fuller life of this highly over-subscribed and ambitious school.

Successful candidates will be subject to an enhanced Disclosure and Barring Service check.

Don't just take our word for it...

I love the sense of community at Kennet. The joyful devotion of the staff is matched by the infectious zest of the pupils.

Mr A Killeen
Head of Year 7 / St David House Deputy

I really appreciate the positive relationships and strong teamwork between colleagues within departments and the support we offer each other during challenging times.

Miss H Gray
Head of Dance

I love working at Kennet because of the rich curricular and co-curricular opportunities we provide pupils and the passion they demonstrate both in lessons and House competitions.

The pride I feel is overwhelming when I reflect on being a part of this.

It's a fantastic thing!

Mr A Rosser
Head of St Francis House

The opportunities for pupils to succeed at Kennet, in any discipline, are unmatched - whether academic, sporting, musical or beyond. There is a vast co-curricular offering for pupils. I particularly enjoy supporting pupils as they prepare for life beyond Sixth Form and take great pride in watching them thrive.

Mr R Tamale
Head of Sixth Form
