Welcome

I am delighted to welcome you to the Outwood Grange Academies Trust, a remarkable family of schools where every day, we are driven by a shared commitment to put children first, raise standards, and transform lives.

As the CEO of the Trust, I am immensely proud of the work we do and the positive impact we have on the communities we serve.

At Outwood Grange Academies Trust, we are not just a group of schools; we are a cross-phase family of primary and secondary academies. Our academies are not just situated within their communities; they are deeply embedded in the hearts of those communities. We believe that education should not only be accessible but also relatable, and that is why we are so proud to be an integral part of the communities we serve.

Our mission is simple yet profound: to provide every child with the best possible education and the opportunity to thrive. We understand that this mission can only be achieved through the dedication, expertise, and passion of our staff. That's why we place a strong emphasis on professional development, aiming to recruit, train, and develop experts in their field. We believe in fostering a collaborative environment where individuals work together to achieve the very best outcomes and provision for all of our children.

As you explore this recruitment brochure, you will discover the many opportunities and rewards that come with being a part of our Trust. Whether you are an experienced educator looking for a new challenge or a recent graduate ready to make a difference, there is a place for you here. Outwood is proud to be a founding trust of the National Institute of Teaching, a school-led organisation, founded to boost the quality of teacher and leader development nationally. As part of the Outwood Family, you will have access to a national network of research-led CPD.

Thank you for considering Outwood Grange Academies Trust as your potential career home. Join us, and together, we can continue to make a lasting impact on the lives of children and communities, ensuring a brighter future for all.
