

Headteacher: Mrs L Ayling BA (Hons) NPQH

September 2023

Dear Applicant,

Thank you for your interest in the position of Assistant Headteacher: Raising Standards at Prenton High School for Girls. We are looking for an enthusiastic, committed and innovative school leader who models excellence in all that they do and has a strong track record in making a positive difference to the outcomes of young people.

We are a school who sit at the heart of our community and deliver strong outcomes for our students, both academically and in the wider skills and experiences that equip them for the next steps in their journey. Our mission of *Making a positive difference today to achieve a better tomorrow* permeates all that we do and is underpinned by our core values of trust, respect, integrity, kindness and endeavour.

The sense of community and family is strong at Prenton. Relationships between staff, and staff and students, are positive and built upon our school values and a relational practice approach to behaviour management. Developing and promoting positive mental health and wellbeing for our whole school community is a key priority, ensuring that all members of our school, students and staff, are equipped with the resources and support that they need to succeed whilst at Prenton, and beyond. In February 2023 we achieved the Wellbeing Award for Schools in recognition of the strategic vision, systems and processes that are in place at the school.

Contained within this pack is a copy of the overview of our School Priorities for 2023-24. Every member of our staff has played a role in developing the goals and actions that will be taken to collectively achieve sustained improvement. There is a shared responsibility and strong sense that we all have a part to play in continually developing our school to secure the best future for our students and wider community.

We have invested significantly in the school environment and facilities in recent years and are proud to provide our students and staff with vibrant facilities that help to inspire ambition.

By ensuring that all staff contribute to the school priorities, ensuring that wellbeing and workload drive decisions, and by providing rich opportunities for staff to grow and develop, we are an employer of choice.

If you share our values and vision for making a positive difference to our school and wider community, have a successful track record and would like to be part of our exciting continuing journey, we very much look forward to receiving your application.

In addition to the information contained within this pack I would encourage you to follow our social media, [Instagram](#), [X](#), [Facebook](#) and invite you to attend our school Open Evening on Thursday 28 September at either 5:00-6:30, or 6:30 – 8:00 to find out more about our school (please contact Jenny Gaughan, HR Manager to book a place).

We look forward to receiving your application.

Yours faithfully

Mrs L Ayling
Headteacher
