

Teacher of Physical Education and Dance The Green School for Girls

Dear prospective candidate,

Thank you for your interest in applying for the above post at The Green School for Girls. The Green School for Girls, established in 1796, is a highly successful school with an excellent reputation and is one of two schools run by The Green School Trust – a Church of England Multi Academy Trust serving the young people of West London. The Trust's core purpose is to develop schools which expand the hearts and minds of students within supportive, inclusive, multi-faith environments founded on Christian values. The motto for The Green School for Girls is "Let your light shine" (Matthew 5:16) and serves to illustrate our belief that everyone has the potential to achieve and excel. We are very proud of our consistently strong Progress 8 Scores (2019 0.48) which we achieve whilst offering a broad, balanced and enriching curriculum.

P.E. and Dance are a great area of strength for the school. There is a strong focus on fitness and wellbeing across the Key Stages and the successful candidate will be joining a highly committed and experienced team focussed on ensuring excellent outcomes for all students. GCSE PE is offered at Key Stage 4. The department offers a range of co-curricular activities including winter and summer sports, Indoor Rowing, Badminton, Trampolining and Sports Leaders. We are introducing a CTECH diploma in Sport and Physical activity in our Sixth Form from 2020.

The Trust is keen to appoint aspirational and innovative teachers who will drive standards of excellence, curriculum development and pedagogical approaches which will inspire and motivate students within the subject area. As a subject teacher you will be supported to plan and develop learning experiences which will foster a culture of high expectations, achievement for all and care for each individual within a dynamic learning environment where each student will be stretched, stimulated and supported to make excellent progress.

We value our staff and we work collaboratively to provide professional support, C.P.L. and the sharing of good practice across both The Green School for Boys and The Green School for Girls. Staff are involved in all aspects of school life and contribute to the ethos and co-curricular life of the school. This is an exciting time to join the Trust as it begins a period of growth alongside The Green School for Boys which opened in September 2017.

To apply you should complete the TES application form and write a supporting statement of no more than three sides of A4 explaining how your professional experience has prepared you for the role with reference to the person specification and job description.

If you would like to visit the school please contact my PA Julie Hart j.hart@tgstrust.com. I very much look forward to receiving your application.

Yours sincerely,

Mrs Sally Yarrow
