

NETHERWOOD ACADEMY

Astrea Academy Trust
INSPIRING BEYOND MEASURE

CATERING ASSISTANT

CANDIDATE PACK

Open Letter from our Principal

Dear Candidate

I would like to take this opportunity to welcome you to Netherwood Academy. I took the helm here at the beginning of September 2020 after almost 10 years Headship experience in two schools elsewhere in Yorkshire, and I am committed, alongside my staff team, to doing everything in my power to ensure Netherwood is the school of choice for all secondary-age students in the wider community.

We have ambitious plans to take the school further on its journey to “inspiring beyond measure”, backed by Astrea, a forward-looking and values-driven trust which operates a large number of primary and secondary schools throughout South Yorkshire and Cambridgeshire.

My personal ambitions for Netherwood are very straightforward – to provide an excellent all-round education for every student, whatever their background, and inspire them to be ambitious for themselves, both academically and socially, so that they go out into the wider world as responsible citizens, fully-equipped for what life has to offer. This will include a commitment from us, as staff, to broadening students’ general cultural awareness, and we aim to do this through high expectations and an unapologetic focus on students doing the right thing day-in, day-out. We believe this will make all of our classrooms and corridors disruption-free, enabling teachers to teach high-quality lessons and students to learn and thrive every day.

Our facilities are modern and extensive, and we have worked hard to ensure curriculum areas and extra-curricular activities are well-resourced and accessible to everyone. We have dedicated, state-of-the-art spaces for indoor and outdoor Physical Education, as well as the Visual and Performing Arts, including Music, Drama and Dance.

More and more families from the local area are choosing Netherwood for their children than ever before, and staff at the school have the confidence to send their own children here, in greater numbers than we have ever seen – this is testament to the rapid improvements we have made over the past two years, and which we continue to make.

When Ofsted next visit us, we are adamant that we will be judged to be a Good school, for the first time in the school’s history; the work we have already undertaken means we are well on the way to achieving this ambition.

Our academy is a bright and vibrant community, where children sit at the very heart of everything we do. I very much hope it is a community you would like to be part of.

Best wishes

I look forward to welcoming you to our Academy.

About Astrea

Astrea is an ambitious, dynamic and young trust with a mission to tackle historic educational disadvantage and raise quality standards across all of our schools. Our academies are based across South Yorkshire and Cambridgeshire, often in areas or at schools which have experienced generationally poor educational opportunities. Our role is to change that. We have grown rapidly over the last four years and now educate around 14,000 students in 27 academies and settings. Whilst our educational outcomes have improved over the last 4 years, they are not yet as strong as we would like them to be, nor as strong as our students and communities deserve. With this in mind, we are entering a new period in our development. We are increasingly clear and specific about our vision for behaviour, curriculum and teaching quality.

Key Characteristics of our academies:

- High aspirations, with a firm emphasis on academic attainment
- A knowledge-rich curriculum that develops a general knowledge of the world not simply for progression for the workplace, but for the love of the acquisition of knowledge
- A calm and purposeful learning environment built on mutual respect and centralised behaviour systems
- Outstanding pastoral care with the provision of specific trust delivered SEMH services where appropriate to the pupil
- Standardised reading and arithmetic catch-up programmes for pupils where this is relevant that are taught by specialists
- Active parental and community involvement
- A broad range of extra-curricular activities including sports, music, performing arts and academic clubs

Objectives for pupils:

- Encourage all children to be confident, hard-working and ambitious, regardless of background
- Transmit a core body of knowledge to all pupils and the ability to think for themselves in order to be aware of the world around them
- To be active and thoughtful participants in their local community
- To be successful in achieving their qualifications at both GCSE and A Level

A knowledge-rich education:

- By a knowledge-rich education we mean a rigorous and extensive, knowledge-based education that draws its material and methods from the best and most important work in both the humanities and the sciences.
- The aim of a core-knowledge education is not primarily to prepare pupils for a job or career, it is more to transform their minds so that they are able to make reasonable and astute judgments and engage fruitfully in conversation and debate – not just about contemporary issues, but also about the universal questions that have been troubling mankind throughout history.
- We want children to leave our schools with the confidence that comes from possessing an essential general knowledge. A knowledge-rich education should not confine itself to the Western canon, but should embrace other cultures and traditions. What that canon includes will be subject to review, but will always be closely connected to the history and the present nature of the society in which we live, including our international connections.
