

MANOR SCHOOL
SPORTS COLLEGE

Teacher of English

Dear Applicant,

As Principal of Manor School, I am excited by the opportunities I have to develop our curriculum and teaching and learning provision due to our growing roll. I have ambitious plans and I am seeking to appoint dynamic and highly skilled teachers to join our team and contribute to raising the standard of education at Manor School still further. We are looking for professionals who have high aspirations and are ambitious for themselves and others.

My vision for our academy is driven by our values and a belief that we should be preparing young people to become outstanding young adults and make a contribution to the world as global citizens, be mindful of the mental and physical health of themselves and others and be thoroughly prepared for the world of work. In order to achieve this we focus on the interface between learning and welfare to achieve great outcomes, as well as developing personal characteristics and cultural capital through the range of experiences and opportunities we provide.

For staff, we have a positive and innovative culture within our dynamic and evolving organisation where teaching and learning, coaching and professional development are at the heart of all that we do. We have established an Excellence Pathways programme to ensure that all staff are able to take ownership of their career development and we invest significantly in training, development activities and providing research opportunities to enable the next steps in your career progression.

Whilst we have the highest expectations of our staff we recognise that teaching is a tough profession and the well-being of our staff is hugely important. As a result, we continuously pursue opportunities to manage workload effectively and promote a working environment that is positive, engaging and supportive.

In May 2016 OFSTED confirmed that Manor School remains a good school in all areas: achievement, quality of teaching, behaviour and leadership. The lead inspector made reference amongst other strengths to an 'inclusive culture that encourages students to celebrate their differences and to support each other in their learning and wider development'. We were delighted to receive such a good report on the new, more rigorous framework.

You'll find much more information about Manor School on our website, www.manorschool.northants.sch.uk to help your decision about whether to apply. You'd expect us to say that Manor School is an excellent place to work and learn and, I would encourage you to visit us and talk to students and colleagues, so that you can properly test our opinion.

I hope you do believe that Manor School could be the right place for you and that you will make an application to join us.

With best wishes,

Jay Davenport
