Do you have a passion for construction or your trade?

Be part of the team in developing the next generation of Bricklayers use your knowledge, skills and experience to create a brighter future for construction.

Be part of something and feel you make a difference.

Quote from a member of staff;

"I was apprehensive when I first started to think about teaching, I didn't do well at school and wasn't sure I could pass my skills on. I was nervous about feeling like it would be going back to school, but once I started and I saw my students develop skills I had taught them there was no better feeling of achievement and satisfaction! I wouldn't change my job for the world."

Lecturer in Bricklaying

£24,443 – £27,501 per annum – Depending on Skills and Experience

Job Description

CAREER FRAMEWORK - Teaching and related

JOB TITLE - Teacher/lecturer

REPORTING TO - Head of Department

SUMMARY OF POST

To provide professional teaching and learning services to students as contracted, with appropriate support.

KEY RESPONSIBILITIES

To:

- Deliver courses as nominated by the Manager and carry out all associated course administration.
- Produce schemes of work and lesson plans in advance and prepare teaching materials/resources for all teaching;
- Mark and assess student work promptly, accurately and objectively;
- Act as a personal tutor and therefore be responsible for a group of learners, providing timely, transparent and fair tutorial and other support to them as appropriate;
- Be responsible for learner progress, including setting and monitoring of learner targets;
- Comply with quality standards including undertaking internal verification work;
- Guide students toward extra support services in college;
- Prepare reports for external parties, for example, parents, employers, training agencies;
- Contribute to and attend meetings, events and working parties as requested;
- Ensure statistics for learner attendance and achievement are monitored and acted upon when necessary;
- Complete learner registers accurately and on time

Be aware of and follow College policies and procedures, with particular attention to health and safety, safeguarding, risk management, equality and diversity, quality and our values and behaviours. You will be required to attend training as necessary and update own CPD record.
