Kind regards,

# Life at LPGS

My daughter really benefited from the healthy and sustained pastoral support at the school – mental health and wellbeing are not treated in a tokenistic, one-off kind of way.

*Parent*

When you have a child who is on the SEN register, it can sometimes feel like pushing water up a hill, but the SENCO explains everything so well, makes it clear, and that is because he cares.

*Parent*

I felt the sense of community, we were all one team with one common goal of just achieving great things, and we were all willing to help each other. That's what really drew me to here.

*Sixth Form student*

Pupils flourish into independent, confident young adults at this school.

*Ofsted*

My students and colleagues make me laugh and I look forward to coming into work due to their hard work and fascinating insights.

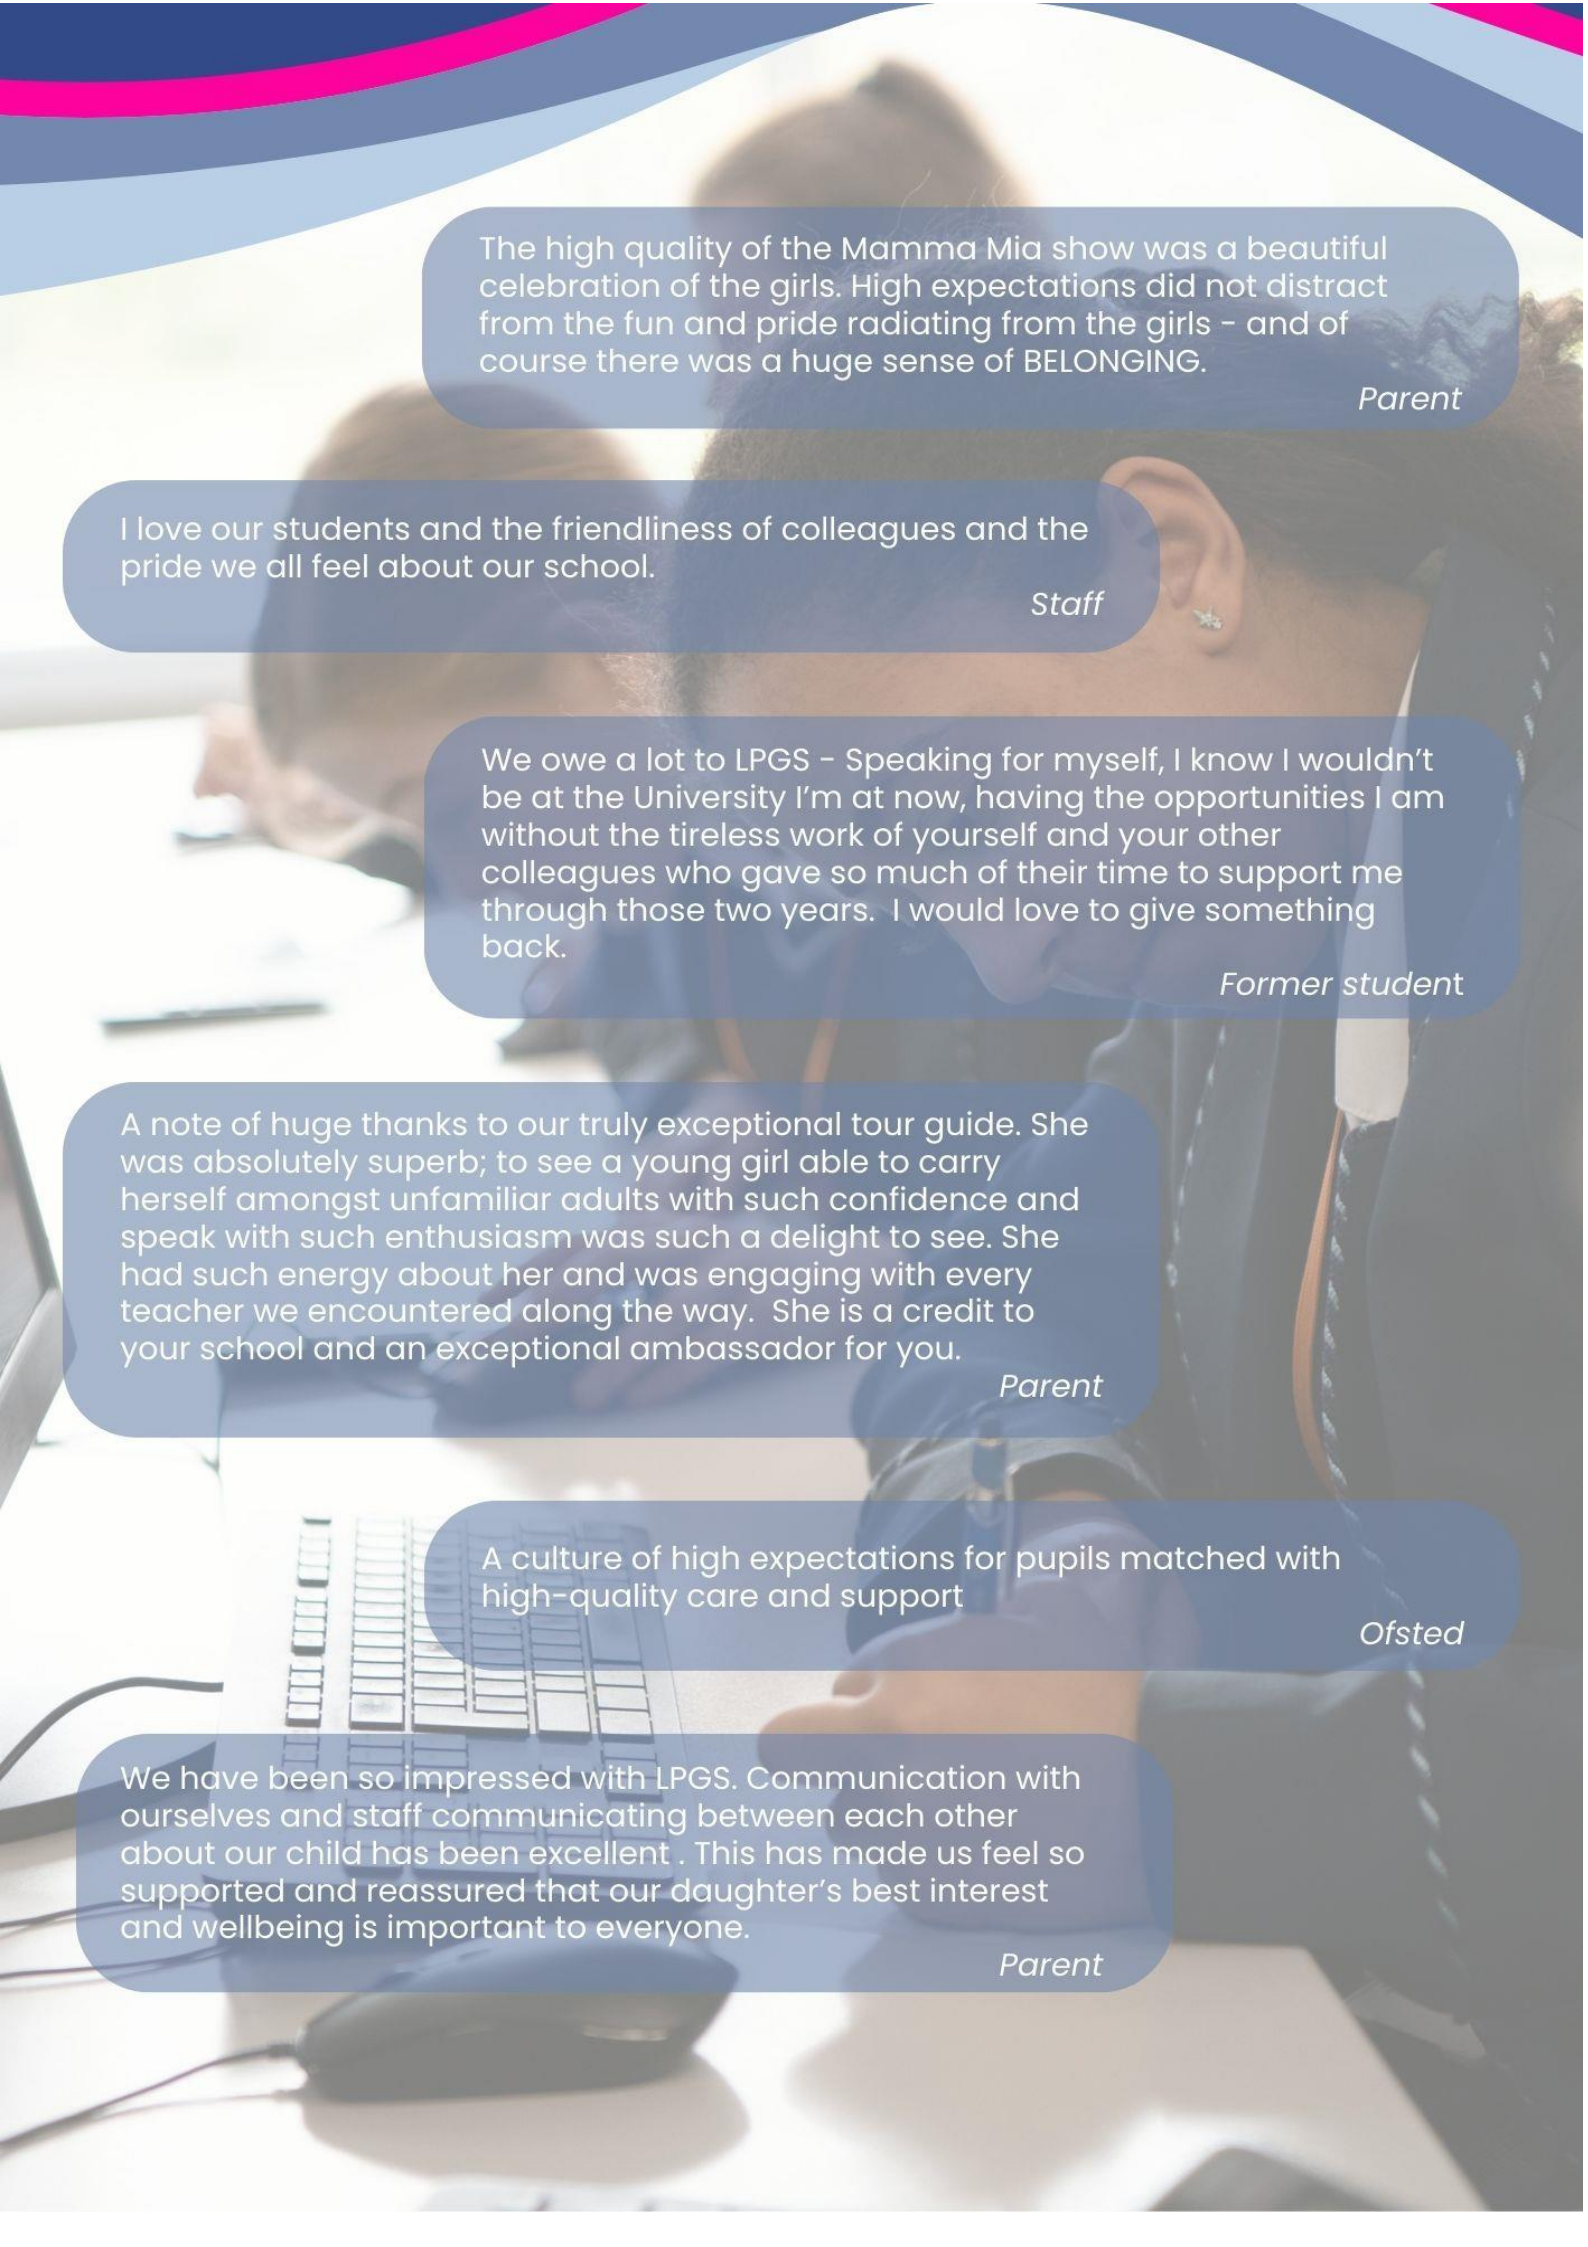

*Staff*

The quality of teaching at this school is nothing short of outstanding. Staff have always been there to fully prepare us for exams and have always gone out of their way to provide us with a high standard of education. The Sixth Form community is extremely friendly and diverse and is a community of individuals who are keen to succeed and help one another.

*Student*

We are sure our daughter learned a lot about teamwork, perseverance and the joy of adventure thanks to your thoughtful planning and engaging activities on this trip.

*Parent*

The high quality of the Mamma Mia show was a beautiful celebration of the girls. High expectations did not distract from the fun and pride radiating from the girls – and of course there was a huge sense of BELONGING.

*Parent*

I love our students and the friendliness of colleagues and the pride we all feel about our school.

*Staff*

We owe a lot to LPGS – Speaking for myself, I know I wouldn't be at the University I'm at now, having the opportunities I am without the tireless work of yourself and your other colleagues who gave so much of their time to support me through those two years. I would love to give something back.

*Former student*

A note of huge thanks to our truly exceptional tour guide. She was absolutely superb; to see a young girl able to carry herself amongst unfamiliar adults with such confidence and speak with such enthusiasm was such a delight to see. She had such energy about her and was engaging with every teacher we encountered along the way. She is a credit to your school and an exceptional ambassador for you.

*Parent*

A culture of high expectations for pupils matched with high-quality care and support

*Ofsted*

We have been so impressed with LPGS. Communication with ourselves and staff communicating between each other about our child has been excellent. This has made us feel so supported and reassured that our daughter's best interest and wellbeing is important to everyone.

## Impact Multi Academy Trust (IMAT)

We believe that being a Trust with both primary and secondary schools is an enormous asset, since it enables us to share our expertise and knowledge, learning from each other to improve the education of children from ages 4 to 18. We have high aspirations for our students that attend Impact Multi Academy Trust schools. We also have high expectations about what they will receive from, and contribute to, their education.

We believe strongly in educating the whole child. We offer our students the highest quality academic education, delivered within a broad, balanced and rich curriculum; alongside which our schools offer a wide range of high quality extra-curricular opportunities, with music and sport a particular strength.

The heads, senior leaders and colleagues actively meet and collaborate – this work is furthered by our Curriculum Strategy Leads.

Our Trust, as it is today, was formed in September 2022 and currently comprises seven schools:

- Clare House Primary School
- Hawes Down Primary School
- Langley Park Primary School
- Langley Park School for Boys

# Staff Wellbeing

Our commitment to this is captured in our Staff Wellbeing Charter which you can read in detail [here](#) and includes:

CPD – we invest in our staff and in ourselves through a [professional growth](#) approach to appraisal that prioritises our improvement as teachers over data-driven targets

Respectful relationships are at the heart of how we approach others in our community: staff and students.

We take a conscious work-load focused approach to marking (no onerous expectations), data drops and parents' evenings.

A deliberate and moderate approach to emails and communication, using scheduled staff communications instead of lots of emails and no expectation that staff respond outside of their working hours.

Trained Mental Health First Aiders to support staff and a comprehensive Employee Assistance Programme that includes 24 hour support line, swift access to counselling and a wide range of advice and support via the Wisdom App.
