

COMPUTER SCIENCE TEACHER (UP TO A LEVEL)

The English School of Asturias is seeking an outstanding and dynamic Teacher of Computer Science to join our Secondary team. This is an exciting opportunity for an ambitious educator who is passionate about high academic standards, digital innovation, and preparing students for a rapidly evolving technological world.

The successful candidate will inspire curiosity, logical thinking and computational problem-solving, enabling students to achieve highly across KS3, IGCSE and A Level pathways. They will play a key role in developing a forward-thinking Computer Science provision that equips learners with both theoretical understanding and practical skills. This role suits a teacher who believes Computer Science should be intellectually challenging, practically engaging and deeply relevant to the modern world.

The Role

Teaching Responsibilities

- Teach Computer Science across KS3, IGCSE and A Level
- Plan and deliver high-quality, engaging lessons that stretch and challenge learners
- Promote computational thinking, programming skills and problem-solving
- Support students in developing proficiency in a range of programming languages and digital tools
- Use assessment and data strategically to drive progress
- Prepare students effectively for external examinations
- Contribute to digital literacy and cross-curricular innovation across the school
- Support enrichment opportunities such as coding clubs, competitions or STEM initiatives

The Candidate

- Degree in Computer Science (or closely related discipline) and recognised teaching qualification
- Experience teaching KS3, IGCSE and post-16 Computer Science
- Strong subject knowledge, including programming and computational theory
- Clear understanding of assessment, data analysis and curriculum design
- Passion for technology and its application in education
- Organised, reflective and solutions-focused
- A collaborative team member who embodies ESA's values:
- We lead with heart. We love learning. We do it well. We are a team.

Contract Details

- Start date: September 2026
- Full-time position
- Competitive salary in line with the Spanish Convenio
- Opportunities for professional development and career growth
- Applicants must have the right to live and work in the EU

How to Apply
