

Stamford Welland Academy

**A good non-selective 11-16 academy with the
Cambridge Meridian Academies Trust (CMAT).**

Our vision is supported by the ethos and values of CMAT.

**We aim to provide support and champion high-quality education at the
heart of our local community through a values-based education.**

Teacher of Technology (Food and/or RM/Engineering specialist) Salary MPS Required from September 2019

We are looking for an energetic, enthusiastic and inspiring classroom practitioner with a real passion for Technology. The person appointed will have the ability to teach at both Key Stage 3 and Key Stage 4. Experience of teaching Food and/or RM/Engineering is essential. This is a full time position. The successful candidate will be an outstanding teacher who will be provided with support and training from the school and trust to achieve excellent results. The school is part of CMAT, who will provide the successful candidate with the opportunity to learn and develop within the trust of schools, whether an NQT or an experienced colleague.

We have high expectations of our students and provide a high-quality education based on the principle of excellence and opportunity for all. The academy aims to deliver students from our care as responsible, cultured and employable young people. Stamford Welland Academy is outperforming many other local schools and in 2016 GCSE results with the Academy achieving a Progress 8 score of 0.32, putting us in the 'above average' category nationally. Our lower ability students scored an outstanding 0.71, outperforming similar ability groups in all local schools. There is no better performing school with a similar profile of students within 75 miles according to the DfE. In addition, 92% of our higher ability students achieved the English Baccalaureate measure - nearly a third of all students. This score outperformed all other local secondary schools, including grammar schools.

Closing date for applications: 9am Friday 28th June 2019.

Interviews will take place: w/c 1st July 2019.
