Mr Jim Roberts- Headteacher

The pastoral life of the school is very important, so you will have your own tutor group. We operate in Year Teams, but we have Houses that we use for Sports Day and other competitions. Teachers are expected to deliver pre-planned lessons on PSHE and Literacy during Tutor times.

We check progress regularly, so you will be keeping records of students' learning journeys, which you will share with students, parents and carers.

We have a personalised CPD programme that includes timetabled CPD sessions with colleagues from across the school. You will be keen to make the most of these opportunities, keen to learn and keen to share your learning with others.

We have strong links to other schools in the Local Authority, including primary schools, and we have partner schools across the country that we share ideas with. You will be happy to form part of these collaborations and use them to support progress for Hove Park students.

The list of duties in the job description should not be regarded as exclusive or exhaustive. There will be other duties and requirements associated with your job and, in addition, as a term of your employment you may be required to undertake various other duties as may reasonably be required.

Your duties will be as set out in the above job description but please note that the Council reserves the right to update your job description, from time to time, to reflect changes in, or to, your job.

You will be consulted about any proposed changes.

Hove Park School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

The successful candidate will be subject to an enhanced DBS check.
