### Message from the Head

I started as Head at Hampstead School in September 2020. Reopening the school in the midst of a global pandemic was a baptism of fire but staff, students and parents were incredibly supportive. This is a remarkable school and it is a privilege to work here.

The period since has been made easier by my existing knowledge of the school, having started my career here as a Newly Qualified Teacher. My original spell only lasted four years, a length of time that pales into insignificance when compared to the years of service some have given, but after leaving I retained a strong connection to the school. Hampstead School reflects – and has shaped – my educational values. It is a truly comprehensive school, seeking to serve its local community. It is non-selective in the truest sense; there are no ability bands, selection tests or restrictions based on gender or religion. If you live nearby, if it is your local school, there is nothing to stop you coming here. It is part of a strong local authority working to ensure high standards through co-operation rather than competition.

When Hampstead School gets it right then there are no caveats, no ‘yes buts’. Success is not based on a selective admissions criteria or top-down interventions from an academy chain. Success is sustainable, ethically sound and based on an unwavering commitment to equality of access. I can honestly say that I would not have applied for any other headship.

I am very excited about developing the school further and working with colleagues with differing strengths, but who all share an unwavering passion for education, and a commitment to improving the life chances of all our students.

If you are one of these talented people, we would love to hear from you.

Matthew Sadler  
Head

### **The School and its Community**

Hampstead School is a London Borough of Camden maintained comprehensive school with around 1300 students. The school, with an admission number of 210, is popular locally.

Founded in 1961 as a mixed comprehensive school, visitors often comment on the mutual respect which is evident between students and staff. This has been recognised; we are the first secondary school in London to be awarded the UNICEF “Rights Respecting School Award” at the highest level.

The diversity of our students is a strength of the school. Over 80% of students are of ethnic minority origin, with over 60 different languages spoken. Around half our students have English as an Additional Language, with a similar proportion eligible for the Pupil Premium.

Sections of the school have been rebuilt over the past few years as part of the Priority Schools Building Programme; our facilities are now world class.

### **Our Ethos**

We expect staff and students to *Think Big, Work Hard and Be Kind*, principles underpinned by the value we place on ambition, critical thought, effort and compassion. This culture is fostered in an atmosphere where the quality of relationships is crucial; our motto, ‘*Learning Together, Achieving Together*’, is reflected in the interactions that take place between staff and students every day.

We are proud of what we achieve, never complacent and retain a genuine and positive determination to become exceptional in all areas. We relish our challenges, being fortunate in our committed and enthusiastic staff, all of whom work together for the benefit of our students. A sign of success is that, within a stable workforce, nearly all who leave do so for promotion. Consequently, this creates opportunities to appoint new colleagues with new ideas, enthusiasm, and moral purpose.

### **More about this role**

Teaching Assistants play a crucial role in ensuring students with additional educational needs are supported across the school curriculum. You will work closely with the Assistant Head (Inclusion and SEND), Deputy SENDCo, class teachers, external agencies and parents/carers to provide a high quality personalised and inclusive education experience.

Additional needs students will be supported in a variety of ways; whole class, small group setting or one-to-one sessions. You will apply a holistic approach to develop the students' academic and wellbeing needs when addressing the EHCP provision.

We are keen to employ enthusiastic and committed individuals who will embrace every opportunity to contribute to our whole school development.

### **Safeguarding Children**

The appointee has a responsibility for promoting and safeguarding the welfare of children and young persons they come into contact with. As such, they must adhere to and ensure compliance with the School's Safeguarding Policy and procedures at all times. If in the course of carrying out the duties of the post the appointee becomes aware of any actual or potential risk to the safety or welfare of children in the School, they must report any concerns to the Designated Safeguarding Lead (DSL) or Head.

### **Timeline of events for this post**
