October 2019

Dear Candidate

Thank you very much for expressing an interest in the position of Head of Geography Department at Hatch End High School.

Hatch End High School has a successful and experienced Geography department and has always been a popular option choice at both GCSE and A Level. We are looking to appoint an inspirational and dynamic Head of Geography with the drive and determination to really build on our current successes and continue to ensure the best possible outcomes for our young people. This is a key appointment and represents an excellent opportunity for an exceptional practitioner looking for progression and curriculum leader responsibility.

You will be joining us at a very exciting time, as the Humanities Faculty have just moved into a new building with state of the art facilities, which has enabled us to come together and foster a collaborative approach to our curriculum design. Geography plays such a vital role in helping young people make sense of the world around them and their place within it, and so we have spent a lot of time shaping our curriculum to meet the needs of our cohort. We are working hard to ensure all of our curriculum subjects enable all pupils to "know more and remember more" in the new knowledge based curriculum. In addition to the development of the curriculum, the department prides itself on the extra-curricular activities and fieldwork opportunities offered to our students.

Hatch End High School is a warm, vibrant and stimulating place to work. We are a lead school in teacher training and regularly welcome many trainees from the highly acclaimed TeachFirst Programme. Continuing professional development for our Middle Leaders is at the core of everything we do and you would be joining an organisation which would offer numerous career developments to Senior Leadership and beyond.

Our website has comprehensive information on the many fantastic opportunities at the school and would urge you to read this before applying. If you would like to discuss the role informally before submitting an application, please do not hesitate to contact hr@hatchend.harrow.sch.uk.

I very much look forward to reading your application.

Very best wishes.

Ms S Maguire
