

**PARMITER'S SCHOOL**  
founded 1681

Co-educational Academy

**Roll: 1453 including 411 in academic Sixth Form**

**Teacher of Science**  
**Start date: September 2019**

**Salary: Main Pay Scale/Upper Pay Scale plus London Fringe Allowance**

An exciting opportunity for an enthusiastic teacher of Science to join our successful faculty. The Sciences are hugely popular at A Level, with 20 A Level groups across the Sixth Form. Having recently secured funding, the school is soon to start building a fantastic new Science block ensuring we have outstanding facilities for staff and students.

A Level teaching can be offered to suitably qualified or experienced candidates. The successful applicant will be able to teach all of the science disciplines (Biology, Chemistry and Physics) at Key Stage 3. Applications are equally welcome from experienced and newly qualified teachers. NQTs are offered the option of a 1st July start date and we have an active NQT programme to support and develop new teachers.

Candidates are welcome to visit the school informally prior to application.

Parmiter's is an exceptional school in which to teach, with highly positive and supportive relationships between the staff and students. Parmiter's coordinates Teacher Training for the Herts and Bucks Teaching School Alliance and offers a robust induction programme, complimented by a bespoke CPD programme supporting colleagues at all stages of their careers. We are able to support the completion of an MA for candidates with the appropriate credits. Our admissions policy prioritises children of staff.

Application forms, available from the school website, should be returned with a covering letter to the Headmaster, Mr M Jones, Parmiter's School at [admin@parmiters.herts.sch.uk](mailto:admin@parmiters.herts.sch.uk).

**Closing Date: Monday May 20th**
