Aiming Higher – Promoting Harmony – Achieving Excellence

Letter from Andy Stainton, Headteacher

Dear Colleague,

Thank you for your interest in joining our community as a Teacher of Design and Technology.

The Design and Technology Department aims to draw on a broad base of knowledge and skills, which will lead to a “Technological Capability”, allowing pupils to be adaptable in a rapidly changing society. The Department comprises 5 members of specialist staff, and two technicians, and is fully integrated in all areas of Design and Technology with purpose-built facilities including the use of digital technologies. All pupils study Design and Technology throughout Key Stage 3. Within the subject many different skill areas are introduced to the pupils: these include Food Technology, Textiles, Product Design, Graphics, CAD/CAM. At Key Stage 4 pupils can then choose from Food, Fashion and Textiles and Product Design within the option pool system. Pupils who wish to specialise in Design and Technology, Fashion and Textiles can go onto take A2.

The department is also committed to providing valuable enrichment and extra-curricular activities for students, and regularly runs internal and national competitions, visits, as well as hosting external speakers on a range of topics related to Design and Technology.

We are committed to supporting staff wellbeing in a variety of ways. The wellbeing offer includes an Employee Assistance Programme. The good working relationships within the staff body, and between staff and students is why many colleagues have chosen to stay with us for the long term. We are also strong in supporting staff career development and colleagues are successful in securing promotions at all levels. We support colleagues in pursuing NPQs and offer a secondment programme onto the Senior Leadership Team for middle leaders.

Although we achieve excellent results year on year and are heavily over-subscribed, we are not complacent. We know there is always more to do, and we work together to continuously reflect upon our successes and areas for development. We are keen to hear the voices of all our stakeholders.

Mill Hill County High School is an equal opportunities employer and positively encourages applications from suitably qualified and eligible candidates regardless of sex, race, disability, age, sexual orientation, transgender status, religion or belief, marital status, or pregnancy and maternity.

Admission into Year 7 is offered to children of staff with two or more years' service.

If you feel that Mill Hill County High School is the right environment for the next step of your career, we would be delighted to receive your application. If you would like to visit us before applying, we would be happy to see you. Please contact Amanda Leonard, the Head's PA, to make an appointment.

Kind regards,

Andy Stainton

JOB DESCRIPTION

TITLE OF POST: TEACHER OF DESIGN AND TECHNOLOGY (0.6)

Salary: MPS

Commencement: January 2024

Purpose: To inspire young people through the expert teaching of Design and Technology across the ability and age range developing their skills and knowledge in all aspects of the subject and supporting their academic and personal progress within the values of Aiming Higher, Promoting Harmony & Achieving Excellence

Reporting to: Head of Design and Technology/SLT Link

RESPONSIBILITIES:

- To plan, deliver and assess appropriate lessons which ensure that the potential of all students is fulfilled.
- To contribute positively and accept delegation, with department colleagues, to the production, implementation and evaluation of department Schemes of Work and resources.
- To encourage students by regular marking, advising constructively by using targets and giving appropriate praise.
- To be aware of individual students' needs, whether they are academic or social, and liaise with Support Staff when necessary.
- To perform the role of Form Tutor and deliver Personal Social and Health Education.
- To monitor assessment through use of data and target setting, and to maintain records of assessments of the students and levels of attainment as laid out in the National Curriculum, where appropriate.
- To ensure equality of students regardless of ability, age, class, culture, disability, faith, gender, race or sexual identity.
- To follow the ethos of the School and the Department by promoting high standards of all students and maintaining high expectations both in and out of lessons.
- To provide a positive environment where effective teaching and learning can take place and create opportunities for students to develop wider skills for later life.
- To communicate effectively and be willing to develop and share good practice with colleagues, in meetings and through lesson observations.
- To be committed to the demands of a high achieving school, both in the classroom and beyond.
- To remain familiar with national and local initiatives within the subject area and focus on own professional development to the benefit of students.

TEACHING & LEARNING – In addition to the above, support the Head of Department to:

- develop policies for the subject which reflect the School's commitment to high achievement, effective teaching and learning;
- establish, with the involvement of relevant staff, short, medium and long term plans for the development of the subject;
- monitor the progress made in achieving subject plans and targets, evaluate the effects of teaching and learning, and use this to guide further improvement;
