The Lord God requires of us that we should help others whenever we can, always make the right choices and be the best that we can be in everything that we do.

We want all of our students to grow and develop into the kind of citizens who will make their parents and their communities proud of them. They will be ingrained with British values which are very similar and at St Cuthbert's they are based upon our core values which underpin our philosophy and practice:

Catholic: We help others whenever we can and will be outstanding ambassadors for our faith, our school and our community.

Aspiration: We continually seek to improve ourselves and improve the world in which we live.

Respect: We always make the right choices and treat others as we would like to be treated ourselves.

Excellence: To be the best we can be in everything that we do and make the most of our God given talents.
