Salary M1-UPS3 (£28,376 - £47,293) Inner London

Location: LONDON, Newham

Contract type: Full time

Contract term: Permanent

Job start: September 2017

The London Design & Engineering University Technical College (LDE UTC) is a brand new oversubscribed, 14-19 independent academy that opened in September 2016 on the Royal Docks. Providing education for students who would like to pursue a career in design, engineering and other STEM sectors.

LDE UTC has been set up by Thames Water, Costain, University of East London, Skanska, Atkins, Balfour Beatty, MWH, IBM, ICE, LEGO and Thames Tideway Tunnel, to provide students with the opportunity to progress onto University, higher degree apprenticeships or the workplace.

Students can look forward to a business like STEM rich curriculum, with access to the very best educational facilities and industry standard equipment in the world, having the opportunity to study a range of GCSE, A Level and vocational subjects.

This is your chance to be a member of the LDE UTC teaching team who are revolutionising technical education.

- Are you focused on making a difference to students' lives by delivering an exciting curriculum?
- Do you value making the learning relevant, working on thematic projects and developing the employability skills of our future young professionals?
- Are you a creative and inspirational teacher, that embraces technology?

If so, apply to join us.

This position is suitable for both experienced practitioners and those newly qualified, we also welcome applications from those wishing to work part time. If you are interested in pursuing a career in this vibrant, positive "can do" environment and feel that you have the enthusiasm and drive to make a real difference, then please apply for this truly rewarding opportunity, where together we can create the next generation of confident, independent, work-ready individuals.
