Dear Applicant,

Thank you for your interest in post at Hitherfield Primary School and Children's Centre.

We are a large and popular community school situated in Streatham Hill in Lambeth, London. The school has wonderful grounds including a field, three playgrounds, a nature area and a trim trail. The school now boasts 23 spacious classrooms, three halls, spacious staff facilities and up to date computer hardware and networks.

We have great children, really involved and interested parents and governors and a committed staff team. We are a Food Flagship School, as part of the Mayor of London's Food Flagship Project, and every child utilises our large Edible Playground. With plans to build a new class kitchen over the summer holidays we will be able to fully immerse food growing and healthy eating into our curriculum. I have been at the school for 12 years and my Deputy Headteacher even longer! We have staff that attended the school as children themselves, sent their own children to the school and some who have children in the school now. We are the Hitherfield family!

You should come and see for yourself just how special Hitherfield is. You are welcome to visit – just call Tammy Wallace on 0208769 8428 and make an appointment. You should also check out our school video on our website at www.hitherfield.co.uk to get a preview of what to expect.

We are also looking for Class Teachers who have made excellent starts to their careers and are aiming to be, or already are, outstanding practitioners. We invite applications from experienced teachers and Newly Qualified Teachers.

I look forward to receiving your application. Please remember to address the points on the Personal Specification in your supporting statement, providing information about the impact of your work. Please state on the front of the application form, where it states 'Job Title', whether you are applying for KS1, KS2 or either. You can leave the Job Reference Number blank.

Yours sincerely,

Chris Ashley-Jones
Executive Headteacher
