

Head of Music

Required September 2021

The Directors of the Gardener Schools Group have established Maida Vale School in the conviction that there exists an opportunity for a different kind of independent secondary school in London - academically demanding but with a modern approach to selection criteria, the flexibility of the curriculum and recognition of creativity and talent. We are now looking to appoint a Head of Music.

If you are a well-qualified, experienced, enthusiastic, and imaginative practitioner, this is a once-in-a-lifetime opportunity to help establish a modern and pioneering Music Department in a School which is seeking to be a front runner in educational practice in London. The ideal candidate will provide positive and dynamic leadership in all areas relating to the teaching and learning in Music. The ideal candidate will be able to teach Music and Music Technology to A Level, have strong piano skills and the ability to lead orchestral ensembles and choirs. The Music Department follows the Edexcel GCSE specification.

The School opened in September 2020 with 53 of Year 7, 8 and 9 Pupils. The school will grow to full capacity over the next 5 or 6 years with circa 600+ pupils 11-18.

The School operates its own pay scales and will offer salary commensurate with experience and the nature of this role. There is opportunity to develop and take on additional management roles, academic or pastoral, for the right candidate and we would welcome applications from those seeking to develop leadership experience.

Location

Gardener Schools Group took the rare opportunity to acquire a large Victorian school building in residential Maida Vale. The School has undertaken a fit-out program in the past twelve months, and it is equipped with modern, cutting edge facilities including Science laboratories, an arts and graphics department, design technology and CAD CAM suites, computing lab, music department, restaurant and Parent Café, theatre, dance and drama studios, flexible teaching suites and meeting rooms. The use of Information Technology will be given great importance within the School and the Digital Curriculum will be a core component of the education of Maida Vale School pupils.

Curriculum

As the School grows, we will offer a full range of GCSE and A level subjects. The curriculum is structured around a two-year Key Stage Three, a three-year GCSE programme and flexible timetabling. The School pursues excellence in all areas whether examinable or not.

The School's aim is to provide a rich and broad education to all pupils whatever their specialism. Whilst we aim to achieve the highest academic results for each pupil, we do not serve as an examination "factory".

An extensive extra-curricular programme is in place. This consists of sport, creative activities and curriculum extension sessions. We include guest speakers and workshops to inspire the pupils. Residential and other school visits are encouraged, making the optimum use of the resources and facilities available locally, nationally and internationally.

Pastoral

The ethos of the School is that of a family and social hub, giving emotional support and security to all pupils and employees. Each pupil receives individual attention both educationally and pastorally. The approach emphasises the partnership with Parents; their involvement, with Parents often spending time in school, is part of the ethos of Maida Vale School. As the school matures, vertical tutor groups will add to the family approach.
