The Royal School Values

RESPECT

The respect we have for one another can be seen in the diversity of our community and the acceptance of all pupils, staff and families for who they are. Respect is seen in the exemplary behaviour of our pupils and the care given to them by our staff.

TRUST

All success is founded on taking the first step into the unknown. We support our community to take risks and encourage them to develop the skills they need to be resilient. We aim to nurture their love of risk so they keep that excitement throughout their whole lives.

COMMUNITY

We truly feel like a 'Royal Family'. We welcome families, pupils and staff into our community and encourage everyone to play an active part in building strong links to our school. We provide opportunities through events such as Founders' Day and Prize Day.

INITIATIVE

Initiative and independent learning is built into our curriculum and encouraged through our extended day provision. We encourage our pupils to solve problems themselves and work hard to give them the tools to do so.

RISK

At The Royal School, our pupils take pride in being trustworthy learners. As a school, we trust our teachers to support all pupils in their learning and personal development. This trust is seen in the outstanding curriculum that is delivered every day, and the range of experiences on offer.

What we offer

Teaching at The Royal Senior School provides:

- An exciting opportunity to join a culture of innovative curriculum practise and a unique ethos.
- The chance to join a team of outstanding leaders and practitioners and be at the forefront of developing educational approaches across the city.
- A supportive and caring team - which aspires to develop the leaders of tomorrow and provide the best opportunities for professional growth.
- The opportunity to lead a culture that is committed to the development of 'character' enabling all children to make the best progress in their academic, sporting, musical and aesthetic experience.
- You will be passionate about continuing to further grow our expectations of high performance and outstanding pastoral care.

If you would like to contribute to our school, then we would love to hear from you!

We have a range of strategies to help our pupils achieve success at whatever point they join us in their educational journey. They are:

- The strong ethos of the school.
- The opportunities provided through an 'all-through' approach.
- The provision of exceptional age-related pastoral care.
- Our extended day and Enrichment Programme

Such strategies have been evidenced through a range of recent national studies as having maximum impact on the motivation, self-esteem, and attainment of those pupils at greatest disadvantage.

Excellence for all: inspiring individuals to achieve their personal best and to compete and contribute as local and global citizens.

We build an aspirational culture through our senior mandatory and balanced co-curricular programme. Including:

- Combined Cadet Force (CCF) for all.
- Access to Excellence through the Elite Swimming Academy.
- Sports.
- Performing arts.
- Cultural, aesthetic, and intellectual development.

This encourages our pupils to become confident, resilient, caring, and enterprising individuals. Yet at the same time, they are trained to operate as leaders, mentors, and members of a team in the widest sense.

Our Boarding dimension helps us to:

- Enrich to our school and local community.
- Support our fundamental ethos of 'wrap around care' (which includes our 'day boarding', offering additional enrichment, targeted support and intervention, and supervised study sessions).
- This has also strengthened our care of children who attract Pupil Premium, Children who are Looked After (CLA) and any child experiencing a temporary difficulty in home circumstances because we have an on-going flexibility in supporting those most disadvantaged to succeed.

This leads to:

- Working constructively with the Local Authority in Wolverhampton, and more widely with Sandwell and Dudley in supporting CLA and pupils with a Statement of Need/SEND.
- Developing our role in broadening local choice and diversity, and simultaneously raising aspirations and outcomes.
- Being able to address the urgent demand for more local pupil places, at both primary and secondary.
- Being able to provide a supportive community for vulnerable pupils, including, as recently requested, unaccompanied refugee children who would benefit from the boarding environment we offer.
- Being able to empower our pupils to grow, successfully challenge stereotypical assumptions and exceed their expectations within a nurturing, inclusive and culturally diverse community.

Benefits Of Working At The Royal

The Royal School offers significant benefits for its staff:

- Regular CPD programme and investment in training
- Access to NPQ programmes
- Staff laptop
- Cycle to work scheme
- Opportunities for you and your family to attend boarding activities e.g. parties, Alton Towers, visits to cities and museums
- Two additional weeks holiday compared to many schools (one week prior to Christmas, one week early in the summer)

The school's distinctive ethos and culture where a truly holistic view of the personal development of the child is central to all that we do. The wider 'enrichment' programme at this all-through 4-19 boarding and day school is essential and helps develop confident pupils well equipped for life beyond the school. All staff contribute to this extensive programme with their personal interests and to join in with existing activities.
