Permanent -Full Time

Required for September 2019

Academy 360 is an All through Academy for pupils aged 4 – 16. It also hosts a 30 place Specialist Planned Place Provision for children in Sunderland who have MLD/SLD. It is unique in the region, providing pupils and staff many benefits through learning and teaching in an All through school.

An exciting opportunity has arisen for an experienced secondary teacher and leader to join the academy's All through Senior Leadership Team to lead teaching, learning and curriculum.

The Academy's Senior Leadership Team includes experts in Primary, Secondary and Special Education. Together they lead, manage and monitor the education experience for children from age 4 to age 16, to ensure cohesion and progression through all stages and phases.

Trustees are seeking to appoint an outstanding and innovative Assistant Headteacher to support rapid school improvement. The academic subject specialism of the successful candidate is not relevant as trustees are primarily looking for a successful and experienced leader with the ability to raise standards across all subjects and deliver high standards across teams.

Academy 360 is a valued member of Laidlaw School Trust (LST), a small Multi Academy Trust (MAT) that serves areas of extreme deprivation in Sunderland and Newcastle. Staff and pupils benefit from the support of the LST Central Team and also from the collaboration that has developed across the leaders and staff in its team of academies. In addition the generous financial support of LST's sponsor ensures that pupils and staff have experiences and opportunities that other regional schools can't offer. LST is committed to providing high quality training and development opportunities to all its employees.

If you believe, you have the Leadership experience, passion and commitment to continue the growth and development of our academy and help our pupils achieve their potential we would like to hear from you.
