## Mathematics Teacher, London

Required from April 2018

### **Do you want to work in a school which will provide you with outstanding training and professional development?**

If so, we are looking to appoint an ambitious and innovative teacher to join our highly successful Maths team. This is an exciting opportunity for you to develop your teaching skills' and work within an inspirational team of specialist mathematicians. You will be joining a highly successful department; last academic year, 83% of students gained a grade 4 or above in Maths at GCSE, with an impressive 36% of these graded 7-9. The department offers A Level Mathematics and Further Mathematics in the Sixth Form.

### **Why work at The Compton School?**

- You will be joining a highly successful school with a national profile of excellence in teaching and learning, teacher training and student outcomes
- We will provide you with exceptional training through our induction programme
- All teachers can access professional development opportunities tailored for their level of career development
- We have a fantastic building with a recently added Arts block and Sixth Form centre.

### **Who are we?**

We are a massively oversubscribed mixed multi-ethnic school that has had three outstanding OFSTED inspections in succession. Students at the Compton make exceptional progress - our results routinely put the school within the top 2% of schools nationally for progress. We have recently expanded to include a new Sixth Form study base and we have been approved to open a second Compton school in 2018.

Are you the right person to join our team? If so, we would be delighted to hear from you.

Please see our website [www.thecompton.org.uk](http://www.thecompton.org.uk) or telephone 020 8368 1783 for details of the post including an application form and email this to [vacancies@thecompton.org.uk](mailto:vacancies@thecompton.org.uk)

The closing date for applications will be on Friday 8<sup>th</sup> December 2017, 9am
