GEOGRAPHY TEACHER (MATERNITY LEAVE)

From: 1st September 2019 – 31st August 2020
Salary: M1 – UPS3 (dependent on experience)

The Latymer School is a high achieving, but caring grammar school in North London. Visitors comment on the warm atmosphere and the level of participation in extra-curricular activities. Pupils at the school recently described the school as one “family” and it being a “real community”. We are very proud of our school and believe it is a place where you can really teach and develop. We were named in the top 10 performing schools in London by The Independent Newspaper in 2017.

We are seeking to appoint, commencing September 2019, a Geography Teacher. We are looking for someone who would enjoy working with highly motivated, intellectually curious students at Key Stages 3, 4 and 5.

The Geography Department works as a close-knit group, sharing resources and strategies across the year groups taught at the school. As you would expect, Geography is a very popular option at A-level and GCSE.

The department’s exam results are outstanding at both GCSE and at ‘A’ level, our latest results being 93% A*/A at GCSE and 98% A*/B at A-level.

If you would like to work in a friendly environment, with guaranteed A-level teaching, then we would like to hear from you.

Closing date for application: Monday, 18th March 2019
Interview date: Thursday 21st March 2019

The Latymer School is committed to safeguarding and promoting the welfare of young people. We expect all staff to share this commitment. Any offer of employment is subject to a satisfactory ‘Enhanced with a Barred List Check’ through the Disclosure and Barring Service.
