

February 2018

Dear Applicant

Re: Teacher of Maths (Full Time, Permanent Post from September 2018)

I have pleasure in providing an application pack in respect of the above vacancy at The Weald School, which includes an application form, information about the school and the Maths Department and a Person Specification for the post advertised. Further information may be obtained from our website www.theweald.org.uk including a link to our last Ofsted report.

A letter of support should be included with your application form, in which you should:

- Outline the experiences you have had to date that have prepared you for this post, using the person specification to guide you.
- Describe the skills and strengths which you will bring to the school, with particular reference to improving teaching and learning in maths.

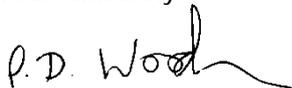

The closing date for applications is 10am Monday 26 February 2018.

Please note that applications will be considered as they are received by the school and you are therefore advised to submit your application as early as possible, as some interviews may take place before the closing date.

Please note that due to limited resources we will only contact applicants who have been shortlisted for interview, if you do not hear from us within two weeks of the closing date you should assume that your application has been unsuccessful on this occasion.

We very much look forward to receiving your application form, which may either be sent by post to the Headteacher at the school, or may be emailed to jobs@theweald.org.uk. Should you have any queries relating to this post please do not hesitate to telephone me on 01403 787200.

Yours sincerely

P D Woodman
Headteacher
