The MFL Department

The Modern Foreign Languages department aims to develop independent and creative language learners. We want all our students to enjoy learning, make progress and achieve. We recognise that Modern language skills are a pre-requisite in today's professional job market and we promote advanced study of languages.

As well as achieving academically, we think it is important to promote language confidence and skills for real-world purposes. Our aim is that students develop openness towards other cultures and understanding through their learning of the richness unique to each language. In a global community, understanding the principles of different languages and how to apply them to learning new ones is a vital skill. Students are offered opportunities to practise their language skills in context and learn more about other countries through a programme of visits abroad.

The AAT is committed to safeguarding and promoting the welfare of children and young people in its academies. In order to meet this responsibility, its academies follow a rigorous selection process to discourage and screen out unsuitable applicants. This process is outlined below, but can be provided in more detail if requested.

Disclosure

This post is classified as one that undertakes regulated activity, and appointment is subject to submission of an enhanced check undertaken by the Disclosure and Barring Service that is considered satisfactory by the Trust. Applicants are required, before appointment, to disclose any conviction, caution or final warnings that are not “protected” as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended in 2013 by SI 2013 1198). Convictions that are defined in the legislation as “spent convictions” but not “protected” would need to be declared. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon a range of factors including the nature of the offence(s) and when they occurred.

Only those candidates meeting the relevant criteria indicated in the personal specification will be taken forward from application.

Interview

Longlisted candidates may be subject to a screening interview. Those shortlisted will take part in an interview with questions relating to the job description and person specification and may also have to take part in a selection exercise such as a lesson observation.

Where necessary, candidates will be asked to address any discrepancies, anomalies or gaps in their application form.

Reference checking

At least two references will be requested, usually from the previous and current employers before an offer of appointment is confirmed.
