

BEST IN EVERYONE INDUCTION CONFERENCE

A free two-day residential conference for all new or promoted teachers and leaders within United Learning; aimed at teaching staff of all levels, across all phases.

About Us

At United Learning, we work as a team to achieve more through sharing than any single school could alone. This approach is underpinned by a sense of moral purpose and commitment to doing what is right for children and young people, supporting colleagues to achieve excellence and acting with integrity in all our dealings within and beyond the organisation, in the interests of young people everywhere. We summarise this ethos as the 'Best in Everyone'. Through a range of initiatives, such as our intranet platform, our subject advisors, and Group-wide events programme, including this induction conference, we are able to share knowledge, build our expertise, and ultimately improve the outcomes of our 40,000 pupils. Uniquely, our Group includes significant numbers of schools in both the public and the private sectors, working together and learning from each other, for mutual benefit.

The Conference

Every August, we invite new starters from across the Group to attend our Best in Everyone Induction Conference, giving you the opportunity to work together from your very first day with United Learning. Throughout the conference, you will:

- Learn more about United Learning, its history, ethos, values and how our Group operates;
- Meet colleagues from across our Group, providing the opportunity to share your thoughts, ideas and wealth of knowledge;
- Gain valuable knowledge from internal and external experts;
- Attend a wide range of interactive workshops run by United Learning staff with expertise in specific areas.

The BiE Induction is designed to meet the diverse needs of all new United Learning staff, to facilitate sharing, and embed the knowledge that you are not alone. We want attendees to enter the new academic year fired up by the challenge of teaching in our schools and sharing our vision of becoming a world-class educational provider.
