Head Teacher: Mrs J Davies

Dear Candidate

Hoe Valley School is now in its tenth year of operation and has been in its current purpose-built accommodation in South Woking since 2019. The school was created by the community for the community, and is a school where every child is welcome, valued and developed to their full potential. It is an innovative and thriving learning community serving the needs of the local population.

The School has been judged "Outstanding" by OFSTED and has recently opened its new sixth form provision which is developing and growing rapidly, resulting in the need for an extension to the building which will be fully operational by Easter 2025. We have been able to recruit and retain passionate staff who share our optimism about young people and their potential and who believe that, with exceptional teaching and a culture that values and supports them whatever their background, all young people can thrive and flourish.

We are now seeking a new Head Teacher to lead the School on the next phase of its development journey and to build on the amazing culture, ethos and values and the dynamic teaching and learning environment of this well-established, over subscribed and successful school. There is now a great opportunity for you to take on, lead and evolve this incredible secondary school and sixth form into the future.

We value and encourage innovation and creativity, and this is your opportunity to join and lead this passionate, committed and enthusiastic staff into the future, building on its success to date. The best way to find out more about our unique school is to visit us and to talk to the governors, staff and students. Please contact me on the email address above to arrange a visit or informal conversation.

I look forward to hearing from you to discuss how you can help us continue the successful development of the School and ensure the best possible outcomes for all our students and staff.

Best Regards

Liz Perkins
Chair of Governors
