### **Full-time members of staff benefit from one fully remote flexible working Friday every three weeks**

**The Governors of H3 Federation are looking to appoint a nurturing and effective teacher of maths for Heath School.**

Heath School is a Pupil Referral Unit for children aged 11-16 in Camden who join us for a period of enhanced support and intervention in preparation for their return to mainstream school. In June 2024, Ofsted rated the school as 'Good' overall, with 'Outstanding' grades for behaviour and attitudes, leadership and management and personal development. Staff who work here receive "Excellent regular training" and join colleagues who "enjoy their development and training and report leaders are considerate of their well-being". All staff at Heath enjoy the opportunity to work flexibly from home once every three weeks.

Students are taught in small classes by qualified teachers. HLTAs support in class, and may take responsibility for leading learning in a range of in class and extended curriculum settings.

Students at Heath are supported in their behaviour development by an excellent team of teachers, leaders and specialist support staff. We have high expectations. Our clear behaviour policy and strong, student-centred approach to individual needs means that children often make exceptional progress.

This is an exciting career opportunity for a talented teacher to develop their practice in a small, specialist setting. The successful applicant will be a patient and resilient teacher, with experience of success with students with SEND. They will be passionate about the support good provision can give to children with SEMH needs to make progress in their academic studies and with their personal development.

The post would suit an ECT looking to work in Special Education, or a more experienced colleague looking to develop their career in a different setting. As part of the H3 Federation, the postholder could have the chance also to play a role in our mainstream or Alternative Provision settings. The role would suit someone wanting build their career within SEND and Inclusion. You will have a good understanding of the duties resting on special school settings for safeguarding young people.

H3 Federation is a group of three Camden Schools which work together to ensure that 'Every Student Can Learn and Grow'. The successful candidate will benefit from the opportunity to develop their careers within a Federation committed to professional development and progression opportunities.

If you share our passion for ensuring high standards for all, and have the ambition to help transform the lives of the young people in our school, we would very much like to hear from you.

Please see the job description for more details.
