

FORGE VALLEY SCHOOL SEND DEPARTMENTAL INTENT AND GOALS

INTENT

It is our aim at Forge Valley School that all pupils, regardless of level of need, are supported to thrive in all aspects of school life. We aim to be an inclusive school which works hard to provide stimulating learning experiences for all our pupils, who are seen as individuals.

It is our intention that pupils with special educational needs and/or disabilities (SEND) are supported to achieve their potential through access to quality first class teaching and appropriately adapted learning activities and approaches.

Our long term goal is to develop our pupils into reflective, confident, innovative, morally grounded, ambitious and resilient individuals ready to take their part in a dynamic and diverse 21st century.

DEPARTMENTAL GOALS

To work together to create an inclusive environment and so enable pupils with SEND to grow in confidence, resilience and independence.

To work together with pupils with SEND on their journey towards a fulfilled adulthood. Removing barriers to learning so as to support them to experience success and achieve their potential in every aspect of life.

NURTURING CONFIDENCE, RESILIENCE AND INDEPENDENCE
