February 2018

Dear Applicant,

Thank you for expressing an interest in the post of Teacher of Computing at The Gryphon School. Accompanying this letter is information about the School and the Department which we hope will provide you with everything you need to know to apply for the post. The School website gives further details about us, as does the accompanying document, 'Additional Information for Applicants'.

This is a temporary post from 16 April 2018 to cover a period of maternity leave. Our new recruit will work collaboratively with a team of professional, experienced and able specialists, dedicated to continuing to provide the high level of teaching to which our students have become accustomed. We are happy to receive applications from both NQTs and experienced teachers.

We are seeking to appoint an ambitious, creative and inspiring teacher with energy, enthusiasm and a love of Computing.

The successful candidate will have:

- a strong subject knowledge and passion for all aspects of computing and digital learning
- the ability to embrace and contribute to the vision and direction of the i-Gryphon strategy
- the ability to play a full role in maintaining and enhancing the current high standards in the Department
- the ability to support, challenge and inspire our students, encouraging them to achieve the best they can through the promotion of outstanding teaching and learning
- excellent communication skills and the ability to celebrate and promote high quality teaching and learning
- the ability to be a team player who will go the extra mile to support students and who will enjoy the challenges of this role

The successful candidate will also teach Computer Science at GCSE and A-level, Information Technology GCSE and the Certificate in Digital Applications and Ks3 computing.

The Gryphon is a wonderful place to work and has a special atmosphere and feel. It became an academy in August 2012 to sustain the quality of our outstanding provision and is a founder member of the Sherborne Area Schools' Trust (SAST) a multi-academy trust established in June 2017. Since September 2017 we have been designated as a teaching school and are very excited about the opportunities that this new status will bring. In a recent national publication, The Real Schools Guide, The Gryphon was rated as one of only two schools in Dorset as 5 star; based on attainment, teaching, attendance and outcomes. The Good Schools Guide concludes that we are a 'Super much sought-after school at the very centre of its community taking on the Sherborne independents. Truly a model of comprehensive education at its best – a place for all comers, which children and parents set their heart on, so it bulges at the seams'.

We are an outward looking school with excellent community links as well as strong relationships with other good and outstanding schools across the South West and nationally.

We are a comprehensive school serving a diverse community. Our high quality support staff make a real difference to our students. Teaching is often outstanding, and consistently at least good across all subjects and key stages. Teachers are provided with the resources to make lessons stimulating and practical and have excellent subject knowledge. They make sure students are very clear about what is demanded of them and how to improve. The School's very positive entry in the Good School Guide describes pastoral care and discipline as 'exceptional'.

Students are reflective, behave with great courtesy, and are heavily involved in working with staff to improve the school and the welfare of others.

Our 2017 GCSE results were, once again, excellent against a national backdrop of tougher exams and significantly lower pass rates in many subjects. The proportion of students gaining 5 or more A\*-C grades including English and Maths was 72%. At A level, there was a pass rate of 99%, with 78% of students achieving A\*-C grades and 25% gaining an A\* or A grade. Both academic and vocational result were equally impressive and students taking the EPQ (Extended Project Qualification) achieved fantastic results of 70% at A\*-A grade.

In November 2016 our inspection as a Church School (SIAMS) judged us to be Outstanding. Our most recent Ofsted visit, in November 2017, was very positive and confirmed our status as a “good school” and we enclose a copy of their letter to me outlining our many strengths. Our focus for this year, which reflects our Church School status, is that we should be a “10:10” school; where students and staff experience life in all of its fullness. So for us education is more than just exam results – we place great value on the personal development of each student. We aim for them to leave school as well-rounded young people with a strong sense of what is socially, morally and culturally acceptable, and to feel that they have a contribution to make to the wider community. Digital learning is important at The Gryphon School including the use of mobile technology; we want our young people to use technology responsibly and to enhance their learning.

In summary, we are a true team with a great sense of pride in what we collectively achieve and we embrace the challenge for achievement to be even higher. Our special culture and ethos focuses on enabling students to be the best that they can, both personally and academically, supported by the tremendous work and care of all our staff. We continue to strive to be outstanding in all aspects of school life.

We are looking for someone with high expectations, a love of their subject, the ability to inspire and also laugh whilst enjoying the challenges of this role. You need to be a team player with the inner determination to develop continually, picking up the best ideas from around the world in education. In return, you will join a Department that is full of activity, rewarding and friendly. We have a great record for supporting and developing all of our staff through our own training and links with NCSL providers.

You are very welcome to visit us in advance of an application or to contact us to find out more.

Very best wishes,

*N J Edwards*

Nicki Edwards  
Headteacher

## THE APPLICATION PROCESS

We look forward to receiving your application by 9.00am on Monday 26 February 2018. It is hoped that the interviews will take place the following week. You are asked to provide the following:

- A completed Gryphon application form
- A letter of application of no more than 2 sides of A4 detailing your experience and expertise

Completed applications should be returned either by post, marked 'Confidential' to Caroline Rabbetts, Leadership Support Manager, The Gryphon School, Bristol Road, Sherborne, Dorset DT9 4EQ or by email to her at: [Gryphon.HR@gryphon.dorset.sch.uk](mailto:Gryphon.HR@gryphon.dorset.sch.uk)

Should you wish to arrange a visit to view the School, please do not hesitate to contact Caroline who will also be happy to arrange this.

The Gryphon School, part of the Sherborne Area Schools Trust, has an absolute commitment to safeguarding and promoting the welfare of children. The School follows the national and Dorset policies and procedures for child protection and security and the interview will include questions about safeguarding children. Current and/or previous employers will be contacted through references as part of the verification process pre-appointment checks if the applicant is short listed. The successful applicant will be required to undertake an enhanced disclosure check with the Disclosure and Barring Service.

The Gryphon School, part of the Sherborne Area Schools Trust, is committed to equal opportunities and positively encourages applications from all sections of the community.

# The Gryphon School

## USEFUL INFORMATION: SCHOOL & ROLE

### The i-Gryphon Vision

To develop a digitally literate staff, student and parent body who actively interact on a regular basis with the school's digital offering

To provide learning resources and homework activities digitally through a highly usable platform which promotes 24/7, anytime, anywhere access to learning for both students and parents, and encourages students to pursue a love of learning

To provide staff, students and parents with real time access to data streams including assessment, behaviour and reporting to promote positive outcomes and allow interventions to be put in place more effectively.

**Please refer to the attached e-vision document for further detail relating to the school's digital strategy.**

## COMPUTING DEPARTMENT – USEFUL INFORMATION

Our computing team consists of full-time subject specialists who are passionate, dedicated and inspiring. We like to benefit from each other's extensive skills and work collaboratively to stay abreast of emerging technologies and developments within computing. Over the years we have established and maintained a good level of success in public examinations, at B-Tec, GCSE and A Level.

Our curriculum is designed to deliver a wide ranging basis for KS3 to position students to pursue different computing pathways at GCSE, B-Tec and A-Level.

As a department and more widely across the school we recognise the value of investing in hardware to support the IT curriculum and the school's i-Gryphon vision.

Please refer to the supporting document outlining the school's digital vision.

# The Gryphon School

## The Gryphon School Person Specification

### Teacher of Computing

#### Inter-personal attributes

- Able to build relationships quickly, with humility and empathy, whilst showing respect to others - students, parents and colleagues - to get the best out of them
- Positive, optimistic, caring, kind and approachable
- Willing to be immersed in the life of a busy and successful school

#### Communication and Interaction

- Communicate clearly and accurately both orally and in writing
- Able to listen and respond appropriately
- Flexible to adapt your style in different situations
- Strong and confident ICT skills for teaching and management
- Contribute as a great team player

#### Planning and Organising

- Manage daily responsibilities and priorities
- Work efficiently and effectively to meet deadlines and deliver successfully
- Design, produce and share high quality learning schemes and resources

#### Knowledge

- Good honours degree and/or relevant high level expertise
- A real knowledge and interest in educational issues, approaches and alternatives from around the world
- Strongly support the ethos and culture of the school

#### Leadership

- Have an exciting vision for your subject which can be shared and constantly enhanced
- Proactive and confident, yet humble and considered
- You can inspire and motivate others
- Make informed decisions on a daily basis
- Ensure high professional standards including student progress of all groups of students

#### Problem Solving

- Enjoy facing new challenges
- Find, propose and lead solutions
- Use resources, intellect, creativity and innovation to be successful

#### Resilience

- Hungry for a challenge
- Have patience and endless energy to persevere through the challenging moments
- Tenacious and versatile
- Maintain a positive mindset

#### Self-evaluation

- You are aware of strengths and weaknesses
- Strong desire to learn from others so that you can be even better
- Able to share, train and support others

We are interested in all these attributes for colleagues joining the Gryphon family but appreciate that some will be areas that you have a desire to develop and grow with our support once you are here. A sense of realism and humour are really important

February 2018

We have an exciting opportunity to appoint an ambitious, creative and inspiring teacher of computing with energy, enthusiasm and a passion for their subject.

The successful candidate will have:

- a strong subject knowledge and passion for all aspects of computing and digital learning
- the ability to embrace and contribute to the vision and direction of the i-Gryphon strategy
- the ability to play a full role in maintaining and enhancing the current high standards in the Department
- the ability to support, challenge and inspire our students, encouraging them to achieve the best they can through the promotion of outstanding teaching and learning
- excellent communication skills and the ability to celebrate and promote high quality teaching and learning
- the ability to be a team player who will go the extra mile to support students and who will enjoy the challenges of this role

The post holder will also teach Computer Science at GCSE and A-level, Information Technology GCSE and the Certificate in Digital Applications and Ks3 computing. Our ideal candidate would be able to teach Computer Science to A-level but, within a team of 4 teachers, there is some flexibility dependent on the candidate's particular strengths.

The successful candidate will be educated to degree level in a computer-related discipline and will teach Computer Science at GCSE and A-level, Information Technology GCSE and the Certificate in Digital Applications and KS3 computing. Applications for this role are welcomed from both experienced and newly qualified teachers.

The Gryphon is a wonderful place to work and has a special atmosphere and feel. It became an academy in August 2012 to sustain the quality of our outstanding provision. The school is now part of a multi academy trust with its feeder primary schools. You will find Sherborne to be a centre for educational excellence as a beautiful rural country town that has easy road and rail links to London, Bath, Bristol, Exeter and the glorious Dorset coast. We are an outward looking school with excellent community links as well as strong relationships with other good and outstanding schools across the South West and England.

Teaching is often outstanding. Teachers make lessons stimulating and practical. They have excellent subject knowledge. The 2013 Good School Guide described pastoral care and discipline as 'exceptional'. Students are reflective, behave with great courtesy, and are heavily involved in working with staff to improve the school and the welfare of others. We are a comprehensive school serving a diverse community. The high quality support staff make a real difference.

Our special culture and ethos focuses on high achievement both personally and academically which comes from the tremendous work of all our staff and the great achievements of our students.
