November 2019

Dear Colleague,

## A letter from the Principal

Thank you for expressing interest in applying for the post of Teacher of Girls' PE (maternity cover) at Ripley. This vacancy will give the successful applicant the opportunity to work in one of the best PE departments in the country. We do hope you find the information contained in this pack informative and that it will enable you to reach a decision on whether to apply for the post.

We are seeking to appoint a colleague who shares our ambition to ensure that every young person at Ripley achieves their personal best.

We are a Church of England school which gives us a very distinctive ethos. Our motto of 'Believe.....' is central to our work, and we aim to share God's love by encouraging each young person and adult to believe in their own potential and by being a welcoming and inclusive school that looks for the best in everyone.

We are also very proud to be one of the highest performing, non-selective schools in Lancashire. Our GCSE results are consistently among the best in the county, averaging around 85% 9-4 (including English and Maths). We have received many local and national accolades which celebrate our excellent work over many years. Our post-16 results are equally as good. In 2018 our A Level results put us in the top 25% of Sixth form providers nationally.

One of our proudest features is our wonderful sixth form. Working in a modern purpose built centre we have nearly 400 students working on a mixture of A Levels and vocational courses. Our sixth form contributes significantly to our whole school ethos, and students develop their leadership skills by working with younger pupils in a wide variety of ways. The sixth form is a vibrant and dynamic place, and attracts a significant number of students from Ripley and from other local schools, making it one of the biggest school sixth forms in the country.

The school was last inspected by Ofsted in 2011 and was deemed to be "outstanding". We have been visited subsequently by Ofsted in July 2019 for a pilot inspection for the new framework. We are particularly proud that the Ofsted inspector commented so favourably on the positivity of our pupils and the excellent way in which our pupils buy into our ethos.

We are always oversubscribed in Year 7. Last year 962 pupils applied for one of our 280 places. Working at Ripley represents an exciting opportunity to work in a school which has huge potential. I have found the staff to be incredibly supportive. Similarly, I have found that our pupils are a very positive and enthusiastic group of young people.

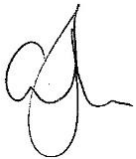

*Believe.....*

If you like what you have read so far and wish to be considered for this role, please complete the application form which is available from our website, and include a letter (of not more than two sides of A4, in Tahoma point 11 point) explaining your suitability for the post. At Ripley we take safeguarding very seriously and consequently the successful candidate will be required to complete a DBS enhanced check. Please do not include CVs with your application as these will be disregarded for safeguarding purposes.

The closing date for applications is Monday 18 November 2019 (midday). Electronic applications are fully acceptable and these should be emailed to my Executive Assistant, Mrs Rees at [reesj@ripley.lancs.sch.uk](mailto:reesj@ripley.lancs.sch.uk). Candidates called for interview will be contacted by phone in the first instance with detailed information following by email. I hope you will consider joining our team and I look forward to receiving your application.

Please do not hesitate to get back to me should you wish to discuss the role further or arrange a visit.

Yours sincerely

A handwritten signature in black ink, appearing to be 'GJ' with a stylized flourish at the end.

Mrs Gill Jackson  
Principal

## RIPLEY ST THOMAS CHURCH OF ENGLAND ACADEMY

Ripley was founded in 1864 by Julia and Thomas Ripley. Their gift to the city of Lancaster was our school with its beautiful buildings and grounds. The Ripleys' spirit of faith, hard work and service is still at the core of what we do now, over 150 years later. Today, Ripley is a school family made up of over 1700 children and young people and 200 members of staff. We continue the Ripley story by offering the best possible education to all our young people, firmly grounded in our Christian faith.

### About us:

- Our pupils and students are fantastic—they are highly motivated and engaged young people with supportive and caring parents.
- As a Church of England school we aim to maintain a distinctly Christian ethos while being genuinely welcoming and inclusive.
- We have 1750 pupils and students, including nearly 400 in our large sixth form
- The school admits 280 children into year 7 each year, and is heavily oversubscribed. In 2019 we had over 900 applications for one of our places in Year 7.
- Our long tradition of academic excellence places us among the highest achieving, non-selective schools in the country.
- Our Christian foundation is central to what we do and what we are.
- We offer a rich co-curricular provision, including music, drama and sport. We believe this gives our pupils and students essential buy in to the work of the school.
- Our purpose built sixth form centre gives us a modern area in which to work and study. It allows us to have a distinctive sixth form which is still closely linked to the main school.
- One of our most unusual features is our working farm. All children in KS3 study Agriculture and Horticulture, and can opt to continue this study at GCSE and in the sixth form.
- Produce from the farm is frequently to be found on our school kitchen's menu.
- We offer an academic curriculum and are unashamedly an academic school, which values hard work and high standards of teaching and learning.
- We are one of the highest achieving non-selective schools in the country, with 83% of our pupils achieving good passes in English and Maths in 2019.
- Pupils make good progress with us. In 2019 our progress score at GCSE was +0.25
- In 2018 our A' level results were in the top 25% nationally.
- We have very little "in year mobility". This stable population means that we can get to know every child and young person very well.
- We invest heavily in our pastoral system with teachers and support staff working as progress leaders in every year group.
- We are a leading school within the Bay Learning Trust. The Trust is growing fast and currently has four local schools working together. This gives colleagues the opportunity to work collaboratively with people in different contexts and is a way in which we promote career progression and CPD.
- Ripley is a Teaching School and a National Support School. We also run a successful SCITT, and we recruit many of the teachers we train.

### Our facts:

- The majority of our children are white British
- 12% claim free school meals, 1.5% have SEND and 6% are EAL
- Attendance is 95%
- 56% of our pupils are classed as "high prior attainment" by DfE
- Ofsted have told us we are "outstanding" three times - we agree!

## ABOUT RIPLEY

### Introduction:

Ripley St Thomas Academy started life as the Ripley Hospital, a charitable foundation endowed in 1864 by Julia Ripley in accordance with her late husband's wishes. Thomas Ripley was a local man who had made a fortune trading out of Liverpool and as he and Julia were childless they wished to spend their fortune in accordance with their Christian beliefs to benefit their home town. The Ripley Hospital originally provided for orphaned children in Lancaster and Liverpool. The buildings and the grounds were endowed by Julia Ripley and included a farm to ensure the children grew up well nourished. The farm still thrives and is one of our many unique features. The work of the Hospital continued until the outbreak of World War II when the building was requisitioned by the army. For three years after the war it was used as an emergency Teachers' Training College. After the trainee teachers left, the building became a National School, then a boys' secondary modern school. In 1966 the Boys' School amalgamated with St. Thomas Girls' School to become Ripley St. Thomas Church of England School. We became an academy in 2011, and set up the Bay Learning Trust in 2016 to ensure the school continued to serve its local area. The Bay Learning Trust now has four schools working in collaboration with a vision to ensure that all young people in the area have the opportunity to receive an excellent education.

### Leadership

Mrs Gill Jackson, taking on her second headship, joined the school in 2019 as its Principal, and became part of an established and experienced leadership team. Mrs Jackson was designated as a National Leader of Education in 2017. As the senior team, we recognise the importance of CPD in helping staff to develop professionally in order to realise their own potential and improve the life chances of all the children they work with.

### A Church of England School

We take being a Church school seriously and expect all colleagues to support our ethos, whatever their own personal faith position may be. Our aim is simply to serve our local community through providing an outstanding education to children of all faiths and none. We emphasise our Christian distinctiveness through regular acts of worship, but more importantly by valuing and caring for every member of our community.

### National Teaching School / National Support School

Ripley is a National Teaching School and a National Support School. We are very proud of this recognition of our work. We work within our Teaching School Alliance, in collaboration with other schools in the area. This enables us to share expertise with a wide range of colleagues, and ensure that we always have opportunities to improve our professional practice.

### Curriculum

Ripley aims to provide a curriculum that meets the needs of all pupils by offering a breadth of educational opportunity. Subjects are taught according to National Curriculum guidelines and a wide range of teaching and learning styles are used to ensure that pupils are actively engaged in their lessons. We have a three year KS4, so in Years 9, 10 and 11 all pupils follow a core curriculum of English, mathematics, science, RE, PSHE and PE. In addition, pupils select 3 option courses from a wide-ranging choice of GCSE subjects. We give our pupils the opportunity to take the EBacc suite of qualifications, with the most able following single science courses. The curriculum is based on five 60 minute periods per day, organised as a two week timetable.

Our post-16 provision offers a wide choice of A Level courses, as well as BTECs in some vocational subjects.

### Pastoral care and academic guidance

The Progress Leaders, assistant Progress Leaders and Progress Tutors have responsibility for the welfare, academic progress and discipline of the pupils in their care. The tutors in each year group team have a particularly important role since they look after the same group of children as they move through the school. Time is set aside each day for a programme of activities designed to promote the pupils' social and learning skills, support literacy, and to enable tutors to get to know each pupil as an individual. Pupil Voice is important at Ripley and we have an active School Council and Year Group Councils.

### Links between home and school

We aim to develop strong links between home and school. We hold consultative evening meetings between staff and parents to discuss any concerns, acknowledge successes and agree targets for further improvement.

Parents also receive termly monitoring reports and are provided with regular communications about developments in school.

In addition, we publish various brochures and organise information evenings for parents at key points in their children's education, together with prize evenings to celebrate the success of pupils at different Key Stages.

### Special educational needs and disabilities

At Ripley we place equal value on the education of all pupils. Those with special educational needs or disabilities are encouraged to achieve their potential within each curriculum area where they are provided with differentiated materials by their class teachers, whilst teaching assistants also offer additional individual support. Some pupils are withdrawn from lessons for brief periods to work with specialist staff.

### Co-curricular activities

A wide variety of out-of-school clubs and activities are available to pupils. These vary across the academic year but might include science, cookery, film club, eco club, IT and many others. There are a wide range of opportunities in physical education and the arts. The school enjoys a national reputation for music; we have school bands and choirs, and a large number of musical functions are held annually. There are also excellent opportunities for pupils to begin or continue instrumental tuition as well as to participate in the annual school musical production. Educational visits and exchanges all appear in our annual programme. Enrichment activities are vital to the development of our pupils and we continue to seek new and exciting educational opportunities to develop each individual.

### School uniform

Pupils are expected to dress appropriately for a learning environment. School uniform is compulsory for all pupils in Years 7 to 11.

### ICT resources

In recent years the school has invested heavily to develop our ICT provision and we have a state of the art wifi system and an excellent Virtual Learning Environment. Every teacher has a laptop for personal use, and a PC in their classroom.

### Ripley active in the community

Pupils and students at Ripley are encouraged to learn from the expertise, experience and information available within the local community. The school in return aims to provide a significant contribution to the community through the high-quality education, guidance and care we provide for our young people and through participation in fundraising and community service. We give the opportunity to children in local primary schools to join us for enrichment activities and to take part in a range of programmes. Ripley is active in its support of charities and we organise a number of fundraising activities. We are also committed to sustaining and extending our links with local businesses, both to enrich the curriculum and to encourage sponsorship and financial support for the work of the school.

#### Our local area

Despite being a university city and home to 138,000 people, over two thirds of Lancaster is classed as rural area. Surrounded by many pretty villages, it is a very pleasant place to live. Lancaster benefits from excellent rail and road links, indeed the school is easily accessed from the M6 motorway. The city offers the usual attractions of a vibrant place to live, but also has some beautiful areas of outstanding natural beauty on the doorstep. The coast is easily accessed; Blackpool, the beautiful Fylde Coast and Morecambe Bay are within 40 minutes drive. The Lake District is 30 minutes away. Liverpool and Manchester are less than 1 hour away. London is less than 3 hours away by train, with Lancaster being a mainline west coast station, giving easy access to Scotland.

## DEPARTMENTAL INFORMATION

### DEPARTMENTAL STAFF

Subject Leader: Mr J Quarry  
Assistant Subject Leader: Mrs C Pearson  
Vacancy – Teacher of Girls' PE (maternity cover)

The department is made up of 6 full-time and 1 part-time members of staff, highly motivated and diligent, specialist PE teachers who continually strive to deliver outstanding lessons. The department has considerable experience and status within the school both in terms of teaching and learning and in terms of its outstanding results.

We are looking to appoint an inspirational and dynamic Teacher of Girls' PE from January 2020 to teach a wide range of activities across the curriculum, including GCSE with the potential to teach A Level.

The successful candidate will have the opportunity to join a leading and dynamic department that achieves very good results across all areas of Physical Education at both GCSE and A level standard, benefits from excellent facilities and offers a wide range of co-curricular opportunities.

At KS3, years 7 and 8, all pupils follow a broad and balanced Physical Education curriculum in which the successful candidate will teach netball, hockey, swimming and athletics amongst other activities. Pupils experience and enjoy a physically active approach to learning in which they develop a range of skills suitable for a theoretical and practical GCSE qualification at KS4. Through a breadth of practical activities that build upon prior learning, pupils develop their range and quality of skills, physical attributes and decision making.

Students are able to select to study GCSE Physical Education and the course has proved to be popular with three Yr 9 teaching groups, two Yr 10 groups and two Yr 11 groups in 2019. At A Level, Physical Education is also popular with one group in both Yr 12 and Yr 13.

The department comprises 6 full-time & 1 part time member of staff who are committed to raising standards and enabling each pupil to achieve highly. Facilities include a 4 badminton court sports hall, with a fitness suite and 2 specialist classrooms for teaching academic PE. Additionally, pupils enjoy lessons on the well-maintained sports fields, which include 3 rugby and football pitches; a swimming pool; an astroturf and a further indoor gym facility.

A broad range of co-curricular activities is on offer all year round, which both complements the curriculum and offers new opportunities and these are well attended by pupils across all year groups. Pupils have a number of opportunities to compete within the local area, county, region and on the national stage as individuals and as part of a team. The co-curricular programme is supported by additional specialist members of the school community.

The successful candidate will be a committed practitioner, who will seek to attain the highest standards in teaching and learning along with a fulfilment of practices and competitions, including weekend fixtures. The successful candidate will be fully supportive of the Church of England Academy ethos and tradition and expected to contribute to the full life of the school.

## JOB DESCRIPTION

### Key Purposes

The Teacher of Girls' PE (maternity cover) must provide high quality teaching, effective use of resources and high standards of learning and achievement for all students.

### Key Knowledge & Understanding of:

- The school's aims, priorities, targets and plans in the context of the work of the department.
- The relationship of the work of the department to the school as a whole.
- Relevant statutory requirements for the curriculum and for assessment, recording and reporting.
- The characteristics of high quality teaching and the main strategies for improving and sustaining high standards of teaching, learning and achievement.
- The implications of the Code of Practice for Special Educational Needs for teaching and learning.

### Key functions

#### 1 Planning & Setting Expectations:

- Set high expectations and targets for teaching, learning, achievement and behaviour.
- Implement department improvement plans which focus on development, contribute to whole-school aims and identify realistic and challenging targets, actions, timescales and criteria for success.
- Contribute to the development of shared schemes of work and teaching resources.
- Ensure that department accommodation is used to create an effective and stimulating environment for the teaching and learning of PE.
- Working with the school's Health & Safety Officer, ensure that there is a safe and healthy working and learning environment in which risks are properly assessed.
- Work with the SEND department to ensure that individual education plans are used to set subject specific targets where appropriate and match work to students' needs.
- Contribute to resources and material for the school's website and/or VLE.

#### 2 Teaching & Managing Student Learning

Evaluating and evidencing the teaching and learning within the department.

- Follow the self-evaluation of the curriculum area in line with school self-evaluation procedures.
- Implement a departmental policy which outlines clearly how the quality of teaching and learning will be evaluated and evidenced.
- Identify and disseminate effective practice and highlight and address areas for improvement.

In particular ensuring the following:

- curriculum coverage, continuity and progression for all students;
- constructive working relationships between staff and students;
- that lessons are based on learning objectives that are clearly communicated to students;
- select from a range of appropriate teaching and learning methods to meet the needs of the subject and of different students;
- the effective development of students' skills and understanding in literacy, numeracy, ICT, study skills and citizenship.

#### 3 Assessment & Reporting

- Analyse and use relevant national, local and school data, research and inspection evidence to inform policy and practice expectations, targets and teaching methods.
- Following school guidelines, use the systems for assessing, recording and reporting achievement, and use the information to recognise and raise achievement further.

- Use targets to evaluate progress by all students, including those with special educational needs.
- Monitor the progress made in achieving targets, evaluate the effects on teaching and learning, and use this analysis to guide further improvement.
- Use data effectively to identify students who are underachieving and, where necessary, create and implement effective plans of action to support these students.

#### 4 Guidance & Welfare

- Manage student behaviour in the department and in the department's teaching areas.

#### 5 Wider Professional Role

##### Department ethos:

- Contribute to a positive climate in the department. Establish constructive working relationships among staff, including, through team working and mutual support, sharing responsibilities and tasks as appropriate and contributing acceptance of evaluation and accountability.
- Have a clear, shared understanding of the importance and role of the subject(s) in contributing to students' spiritual, moral, cultural, social and physical development, and in preparing students for the opportunities, responsibilities and experiences of adult life.

##### Professional development:

- Participate in the school's Appraisal Policy.

##### Liaison:

- Support the school's link with the local community, using this to extend the subject, enhance teaching and develop wider understanding.
- Communicate effectively, orally and in writing, with parents, governors, external agencies and the wider community.

#### 6 Promoting the Christian Ethos of the School

- Support and promote the distinctly Christian ethos of the school.
