The Hyndburn Academy

Welcome

Thank you very much for your interest in becoming Principal of The Hyndburn Academy.

The Hyndburn Academy is an 11-16 Secondary Academy serving local communities in and around Rishton, in the borough of Hyndburn, East Lancashire. With around 650 pupils on roll, it is a warm and community-focused school, founded on strong relationships.

Leaders have cultivated a positive and nurturing environment where students feel safe and supported. Staff pride themselves on knowing each child as an individual, fostering a culture of care and respect. Its sports, technologies, and performing arts facilities are well equipped, offering a wide range of opportunities for talented and creative students both within the classroom and beyond. A substantial investment from the Department for Education will see the school benefit from a brand-new building, with feasibility studies scheduled to begin in early 2026.

Despite these strengths, the school has yet to consistently achieve academic outcomes that reflect its vision and aspirations. Addressing this will be a key priority for the incoming Principal. We are seeking a leader with the vision, ambition, and tenacity to raise standards and drive sustained improvement – someone who combines strategic focus with the empathy and strength to unite pupils, parents, and staff around a shared purpose.

The successful candidate will be supported in creating a school culture where exemplary behaviour enables teachers to teach and students to learn without distraction. If you are a serving Principal or an exceptional Deputy who believes that children and young people can achieve extraordinary things and will build a team to make it a reality, we will be excited to read your application.

We will support the successful candidate in delivering this, creating a school culture where exemplary behaviour allows teachers and pupils to focus on the core business of teaching and learning.

United Learning is a big group of schools – with over 75,000 pupils and more than 10,000 staff – so we have the capacity to support you educationally and operationally. At the same time, we are values led and base all that we do on good relationships, so you will be joining a big family. Reporting directly to the Regional Director, you will be supported both personally and professionally, benefitting from the strength of a national Group who will support your development and that of your staff and school.

We are committed to fairness, diversity and inclusion. We are currently working hard to improve representation of black, Asian and minority ethnic leaders at headship level and to raise our proportion of women leaders to match their representation in our wider workforce. Whoever you are, if you have a strong track record of improving young people's education and a drive to do more, we very much look forward to hearing from you.

With best wishes,

Sir Jon Coles, Chief Executive

The Academy

With just over 650 pupils aged between 11 and 16, The Hyndburn Academy has been part of United Learning since 2017. In that time, the school has grown significantly in popularity and has been transformed in terms of its culture and ethos. Through the commitment of leaders and staff to an 'Education with Character', the Academy provides an education that encourages resilience, creativity, kindness, and ambition.

As part of the United Learning family of schools, the school is guided by the mission to bring out the best in everyone – students, staff, parents, and the wider community. This partnership provides the school with access to national expertise while allowing it to stay deeply connected to the local community it serves with dedication and commitment.

The Hyndburn Academy is a busy and vibrant place which maintains the warmth and friendliness possible for schools of this size. The academy's sports, technologies and performing arts facilities are well equipped and provide fantastic opportunities for talented and creative students in all manner of activities, both within the curriculum and beyond. However, there is much more to come here as the school has secured a commitment from the Department of Education for a total rebuild, with feasibility due to commence in early 2026. This is a very exciting time to be joining the school, giving the new Principal a rare opportunity to shape and influence the design process, ensuring that a fantastic new building is created for all.

The school's ethos is underpinned by core values such as ambition, confidence, creativity, respect, enthusiasm and determination. Staff work collaboratively to deliver an ambitious curriculum that supports all learners, including those with SEND, and promotes personal development through rich cultural experiences, leadership opportunities, and inclusive education. With a strong emphasis on professional development, wellbeing, and shared purpose, The Hyndburn Academy offers a compelling opportunity for a leader who is passionate about making a meaningful impact in a school where every child truly matters.

The Hyndburn Academy is part of our Lancashire Cluster along with two other local schools: Accrington Academy and Marsden Heights Community College. The schools work collaboratively together, benefiting from an Executive Business Manager and shared services.

However, despite these strengths, there remains a mismatch between the academic outcomes students achieve and the aspirations held for them by leaders, the Trust and the community. We know that students here can achieve more, and therefore the new Principal will need the ambition and drive to raise standards for all students, whilst ensuring children behave well and are happy to come to school.

The Hyndburn Academy is brimming with potential. We expect the successful candidate to have an immediate impact on the culture of the school and for student outcomes to improve significantly and quickly. We will support the successful candidate in ensuring the very highest academic standards, where exemplary behaviour allows teachers and pupils to focus on the core business of teaching and learning.

This is the ideal position for an ambitious and dynamic leader with the vision to take the existing foundations and firmly establish a culture of high achievement, care and respect. Above all, we are seeking substantial and sustainable improvements under the leadership of a Principal committed to the long-term success of The Hyndburn Academy's students. A generous relocation package is available for the right candidate.

United Learning will support you with the expertise of a Regional Director, as well as a highly effective team of subject advisers. You will also benefit from our knowledge-rich mastery curriculum which includes a package of common assessments, enabling school leaders to gain a deeper understanding of their students by comparing performance against the thousands of students in other United Learning schools.

We fully recommend that you take the opportunity to make an informal visit prior to making your application to see the school for yourself. If you would like to arrange a visit or discuss the role in further detail, please contact Geoff Morris at geoff.morris@unitedlearning.org.uk or by phone on 07811 345 638.

About United Learning

United Learning is a Group of schools which aims to provide excellent education to children and young people across the country. We seek to improve the life chances of all the children and young people we serve and make it our mission to bring out ‘the best in everyone’ – pupils, staff, parents, and the wider community. We uniquely comprise schools in both the state and the independent sectors.

As a Group, we can offer more to both staff and young people than any single school could offer alone. The growing range of outstanding group-wide activities that we can provide will mean that more young people will have truly exceptional and inspiring experiences.

We believe that our Group contains the most developed relationships and practical interaction between independent and state schools in the country, creating benefits for all the schools involved.

United Learning comprises both United Church Schools Trust, which operates our fee-paying independent schools, and United Learning Trust, which operates our state-funded academies.

To find out more about United Learning, please visit the website www.unitedlearning.org.uk

As part of United Learning, The Hyndburn Academy will share the objective of bringing out ‘the best in everyone’, enabling each student to become a balanced, happy and articulate person with intellectual freedom, confidence, compassion, integrity and a lifelong love of learning.

Our Ethos

Our approach to education is underpinned by a sense of moral purpose and commitment to doing what is right for children and young people. We believe in supporting our colleagues to achieve excellence and in acting with integrity in all our dealings within and beyond the Group. We believe the safety and welfare of all children and young people is paramount. We summarise this ethos as 'the best in everyone' which underpins our core values:

Ambition – to achieve the best for ourselves and others.

Confidence – to have the courage of our convictions and to take risks for the right cause.

Creativity – to imagine possibilities and make them real.

Respect – of ourselves and others in all that we do.

Enthusiasm – to seek opportunity, find what is good and pursue talents and interests.

Determination – to overcome obstacles and achieve success.

As a single organisation, we seek to bring together the best of independent and state sectors, respecting both traditions and learning from each other. We believe that each of our schools is and should be distinctive – committed to developing its own strengths and identity while sharing our core values to promote service, compassion and generosity.

Continuing Professional Development

We believe that successful organisations make a priority of developing their staff; all the more so in education, where the people of the organisation are its most important asset. While the development of all staff is important, we make the support and professional development of Heads and senior leaders a particular priority, given the impact that leaders have on the life of staff and pupils alike.

We work on the basis that each of us, however effective, can always improve. The new Principal of The Hyndburn Academy will be set personal development objectives with the Regional Director each year and will be supported to achieve them.

The Principal will also be asked to take a role in supporting the leadership of the whole organisation, working with other Heads in

the Group, and sharing ideas and practice with one another. They will also have the benefit of accessing a range of networks, including the Group Education Forum, which brings together Heads from across the Group six times a year. United Learning has also commissioned training programmes from major universities.

We believe that schools are at their best when they are autonomous and able to develop a distinctive ethos, reflecting the needs of their pupils and the context within which they work. The Group can get behind the work of Heads and leaders in schools through creating strong networks, providing outstanding educational support and professional development, and by taking the strain of professional functional support. We aim to ensure that the technology, finance, HR and data support is provided more effectively and efficiently than would otherwise be possible, so that Principals can focus on educational leadership.

The newly appointed Principal at The Hyndburn Academy will also benefit from a comprehensive induction programme.

Our Framework for Excellence

To achieve our mission, our schools prioritise five key principles:

- 1** The best from everyone
- 2** Powerful knowledge
- 3** Education with character
- 4** Leadership in every role
- 5** Continuous improvement

Our aim is to bring out 'the best in everyone'. So, we must expect the best from everyone, all the time. Every child is a special individual, capable of extraordinary things. Who can know the limits of any child's potential?

Our Framework for Excellence

'The best from everyone'

Our aim is to bring out 'the best in everyone'. So, we must expect the best from everyone, all the time. Every child is a special individual, capable of extraordinary things. Who can know the limits of any child's potential? So, we expect unreasonably – we constantly challenge children to do what they think they can't, to persist, to work hard and to be at their best.

From every adult we expect the same: that they are at their best, expect unreasonably of themselves, are determined and resilient and pass those expectations on to the children in all they do. We act with the utmost love, care and good faith – the highest standards come with the greatest attention to the wellbeing of all.

'Powerful knowledge'

Our most important purpose is to teach young people things they would not learn outside school, which free them to think and act more powerfully in their lives. Words and numbers are our most powerful ways of representing the world. Mastery of language and fluent mathematical skills are therefore our top priority. We aim to prepare young people to make a success of their lives: a core entitlement to subject-based learning; the development of talents; an understanding of work and society.

Worthwhile learning is often hard. Inspiring teaching is what gives access to difficult concepts and the thrill of intellectual discovery. Powerful knowledge is not static or backward-looking. It includes the ability to critique, challenge the status quo, think and learn.

'Education with character'

Academic success is very important. Exam passes are an important aspect of that. But there is more to a good education. Our schools also aim to develop character, compassion and service. Young people are expected to contribute to their school and to society; to try things which they think they cannot do; to persist in the face of difficulty;

to become resilient in overcoming obstacles; to manage themselves; to work independently on things which challenge them; to work with others and in teams; to be courageous and caring; to lead.

We want young people to look back on a joyful schooling which has inspired and challenged them, given them wide opportunity and prepared them for the ups and downs of life.

'Leadership in every role'

Our children are leaders of the future. We expect them to start today – taking advantage of structured opportunities to lead and taking responsibility for themselves and others. Every adult in the school is a leader. In every word, tone and gesture, they set direction and expectation. We expect every adult to take responsibility and the initiative to do what is right for the children.

All those in formal leadership positions create the climate in which others work. They demand the highest standards, build a performance culture, develop their teams and create the space for others to lead. All leaders listen, grow relationships, act with integrity and care and expect the best from themselves and others in building a happy, confident school.

'Continuous improvement'

However good we are, we can be better. We constantly look for improvements and implement them with pace. We look for ideas for improvement inside the organisation and out; we observe one another; we steal good ideas with pride and look to make them better; we work together to improve.

We always look at the evidence and are rigorous in evaluating impact. We stop or change things which aren't working; we improve things which are. We aim for high leverage, high impact for low effort and low cost. We constantly look to have more impact for less cost and effort and to spend every pound wisely.
