Vacancy

Head of Science (Primary School) Nursery – Year 4 (with 2 Leadership Points)

We are looking to appoint an exceptional candidate to take on this exciting role of a Head of Science (Primary School) Nursery – Year 4 at Al Mamoura Academy. The successful candidate would take on the following duties and responsibilities:

Teaching, Learning and Standards:

- To facilitate, in collaboration with the Assistant Principal for Curriculum and Assessment, in the development of the subject and planning for progression across the primary school.

- To work with the Director of Learning and Teaching in developing MER processes to ensure that there is a consistent approach across the school in the delivery of the subject.

- To assume the role of 'subject' consultant for colleagues and to demonstrate, by practical example if appropriate, effective ways of organising the teaching within Science.

- To inform stakeholders if/when required regarding current thought and practice in Science.

Supporting, Guiding and Motivating:

- To work with the Director of Learning and Teaching to take an active role in relevant school-based CPD, organising, leading and informing colleagues of appropriate activities.

Policy and Direction:

- To keep abreast of developments in Science in the EYFS and English National Curriculum.

- To lead colleagues in formulation, review and evaluation of policy, in consultation with the AP for Curriculum and Assessment, ensuring that policy reflects current national and international initiatives.

- To carry out an annual review of Science following guidance issued.

Resourcing:

- To identify needs and to resource, in consultation with colleagues, within the limits of given budget.

- To request, in consultation with the Head of Primary, such items necessary to ensure effective learning and teaching of allocated curriculum area.

Interested colleagues should submit a letter of application, on 1 side of A4, outlining how you would be suitable for the role Head of Science (Primary School) Nursery – Year 4 and any experience that you have had in leading a subject. Candidates should also submit a full CV.

For an internal discussion please contact Matt Booth (headofprimary@almamouraacademy.sch.ae).

Letters of application and CV should be sent to Deena Latif (PA@almamouraacademy.sch.ae) or via the TES Portal

Closing date for applications: Sunday 5th April 2020.
Interviews will take place shortly afterwards.

Interview Date: To be confirmed
Interview Panel: Led by Matt Booth, Head of Primary
Start Date: Term 1 2020-21
