- Design and deliver differentiated lesson plans to meet the needs of both Thai and non-Thai students.
- Use a variety of teaching methods and digital tools to enhance student learning.
- Assess and report on student progress in line with school policies.
- Collaborate with colleagues to develop cross-curricular activities and support school-wide initiatives.
- Encourage student participation in Thai cultural activities and events.
- Maintain high standards of classroom behavior and discipline.
- Participate in staff meetings, professional development sessions, and school events.

### **Qualifications and Experience (Required)**

- Bachelor's Degree in Education, majoring in Thai language or a related field.
- Minimum of 2 years of teaching experience in Thai language education.
- Experience in teaching both Thai and non-Thai students.
- Proficient in both Thai and English (spoken and written).
- Ability to integrate technology and digital resources into the classroom effectively.

### **Preferred Qualifications and Attributes**

- Teaching license or professional teaching certificate from the Teachers' Council of Thailand.
- Experience working in an international school or multicultural environment.
- Familiarity with international curricula (e.g., IGCSE, IB, or A-Level) is a plus.
- Excellent communication, interpersonal, and organizational skills.
- A growth mindset and commitment to ongoing professional development.
- A passion for education and promoting Thai culture.

### **What We Offer:**

- A competitive salary and benefits package: MHIST Wellness Benefit (Staff & Family), Health Insurance (Staff & Family), Accidental Insurance, Thailand Social Security Fund, Christmas gift.
- Opportunity to be part of a brand-new, growing school.
- Supportive and collaborative work environment.
- Professional development opportunities.
- Access to state-of-the-art teaching facilities and resources.
