

ADCOTE
SCHOOL

Originate From

Century-old prestigious school - Adcote School
Founded in 1907, Adcote School is a private boarding school in UK; the school has been awarded the honor of British boarding school for many times. Every year, more than 80% of the students get A* and A's in STEM related subjects, and nearly half of the students get the interview opportunities of Oxford University and Cambridge university. In addition to academic achievements, our students have made proud achievements in sports and performing arts. Our equestrian team has been summoned by the queen, and the drama and choir have been invited many times to participate in international competitions and performances and have won awards.

Introduction of Adcote School Shanghai

Shanghai Adcote School is located in Sheshan National Tourist Resort with beautiful environment. School has perfect teaching facilities including: a library, gym, high-tech laboratory, housekeeping boarding, music/dance/art studio, multi-functional restaurant, and personalized learning space. While introducing the complete curriculum system of the UK, Shanghai Adcote School retains China's excellent cultural and educational philosophy, and provides ideal international education options for Chinese students with the training philosophy of "inheritance, innovation, independence and leadership".

Integrating western and eastern teaching resources, cultivating a global competence!

Adcote UK Campus and Shanghai Campus maintain close academic cooperation and exchanges. Every year, there are academic visits between schools and short-term exchange activities for outstanding students.
