

Teacher of 3D Design with Art for September 2025, full-time

We are looking for an inspirational teacher with strong creative credentials to join the Creative Art and Design faculty. Applicants will have a good degree with design content and be able to teach across the senior age range including A level.

We welcome applications from ECTs and experienced teachers. If an ECT were appointed to the post, a high level of structured support and guidance (meeting statutory requirements) would be provided to ensure progression towards the successful completion of their training or induction period. We pride ourselves on the level of support and care given to teachers in the early stages of their careers.

Reasonably priced school accommodation may be available.

The successful candidate will:

- have a passionate interest in the subject.
- be an outstanding classroom teacher.
- possess creativity, strong organisational abilities and excellent interpersonal skills.
- be likely to have experience of computer-generated drawing and design.
- join a talented and friendly team who are responsible for rapid expansion and exceptional examination results.

Experience of delivering architectural units would be a benefit but is not a requirement for application

The Creative Art and Design Faculty

All pupils take Art and Design including textiles and 3D Design in Year 7 & Year 8 and in Year 9 students opt for Art, Textiles or 3D Design before making their GCSE choices. Textiles and 3D Design following Edexcel and AQA specifications. Photography, Art and 3D Design are all popular options in the sixth form. The faculty is well served with excellent facilities. The team of 8 teachers and 3 technicians share ideas and support each other in this friendly and supportive faculty.

Teachers appointed to Colfe's are expected to contribute to the co-curricular life of the community and will become part of a caring, purposeful and committed community of outstandingly supportive colleagues.

Teaching staff at Colfe's enjoy a range of benefits including:

- Colfe's highly competitive salary scale
- Longer holidays than the maintained sector
- Free lunches
- Free membership of Colfe's Leisure Centre
- Free on-site parking
- Excellent professional development opportunities
- Cycle to Work scheme
- Annual flu vaccination

Application procedure

The recruitment process will require all applicants to complete an application form, accompanied by a letter of application, current CV and details of two referees, who will be contacted prior to interview, in accordance with the School's Safer Recruitment procedures. Shortlisted candidates will be interviewed, asked to teach a short lesson and will be expected to bring a portfolio of their own work, if applicable, and examples of taught projects.

The application may be submitted either electronically recruitment@colfes.com or by post, to: Mrs A Ross, Human Resources, Colfe's School, Horn Park Lane, London SE12 8AW. Applications should be sent as soon as possible and by **09.00 Tuesday 4 February** at the latest. Colfe's reserves the right to appoint to this post before the closing date if necessary.

Colfe's School is committed to safeguarding and promoting the welfare of children. All applicants must be willing to undergo child protection screening, including checks with past employers, prohibition from teaching and the Disclosure & Barring Service.
